INDEX

Koala Babycare was founded in Italy in 2018 with the aim of creating extraordinary and innovative products that make everyday life easier for families.

We believe in the freedom to be yourself - without compromise

We do it so you have more space to pursue your dreams, which now have a new co-star.

We do it so you can balance being a mum with your personal goals. We do it so you can discover your own unique way of being a mum.

The magic that makes everything easier

We provide you with extraordinary solutions to meet your family's daily needs. We think outside the box to help you simplify whatever may seem complicated.

We choose the best quality materials while respecting the environment we live in. It's thanks to this level of care that we have been awarded many different certifications all which attest the quality of our products.

Koala Hugs & Koala Hugs Plus

PREGNANCY AND NURSING PILLOWS

The multi-functional pillow that will become swiftly and your close companion both pre and post birth. A must for a good night's sleep during pregnancy and for relieving back pain. Can also be used as a breastfeeding pillow, a support for Tummy Time and for when your baby starts to crawl.

CERTIFICATIONS

Medical device recognised by the Ministry of Health and certified as a class 1 medical device.

Oeko Tex certified textile for the use of toxic-free fabrics.

IGR Ergonomic Product (German Institute for Health and Ergonomics).

Hypoallergenic material, gentle on skin and resistant to dust and bacteria.

REACH certified, doesn't contain any toxic or prohibited substances.

Colour Fastness, specific test demonstrating that colours don't run.

MATERIALS AND WASHING

- Outer pillowcase: 100 % Cotton
- Inner pillow cover: 100 % Cotton
- Padding: 100 % Polyester

The outer pillowcase, made of 100% cotton, is removable and can be machine washed at 30° C. The pillow itself can be machine washed at 60°.

One pillow, many uses

- Why choose it:**
- Multi-functional (6 different uses in the basic version and 8 different uses in the plus version)
 - Ideal for resting during pregnancy
 - Alleviates back pain when sitting or lying down
 - Eases swollen legs in comfort
 - Soft nursing pillow
 - Perfect for Tummy Time
 - Fully removable and machine-washable case

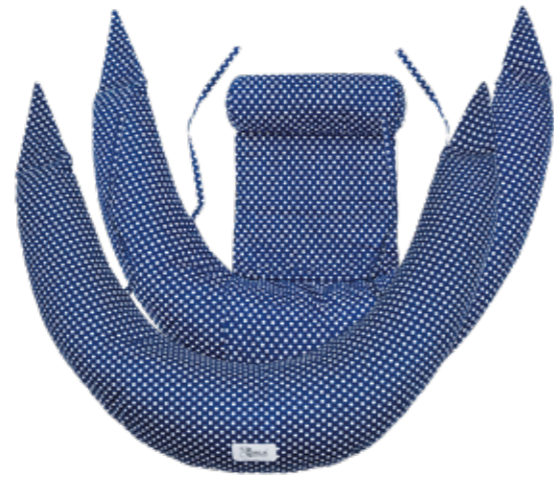

Detachable support pillow, with removable case, supplied with the Plus version, provides lumbar and cervical support.

Koala Belly Band

MATERNITY BELT SUPPORT

Koala Belly Band maternity belt supports the weight of your baby bump, making you feel light again and easing back pain in pregnancy.

It adjusts to fit all shapes and sizes and will accompany you up until the end of your pregnancy. It has an extra support band that can be added to the main maternity belt via a simple velcro fastener.

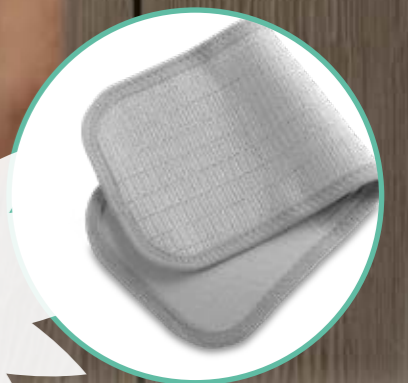

Black - Pink - White
Tiger - Leopard

MATERIALS AND WASHING

- Cotton 52%, Nylon 30%, Latex 10%, Polyester 8%

Extension band to adapt sizing to fit different body types.

Koala Driving Belt

PREGNANCY CAR SEAT BELT

It is a pregnancy seat belt adjuster that ensures your belt is positioned correctly across your bump and shoulders to protect both mum and baby. Comfortable to use with either trousers, skirts, or dresses, thanks to its two different modes of use; so, you feel at ease and free to be yourself each and every day.

Easy to install, it's compatible with all cars and all seats, whether driving when pregnant or as a passenger.

CERTIFICATIONS

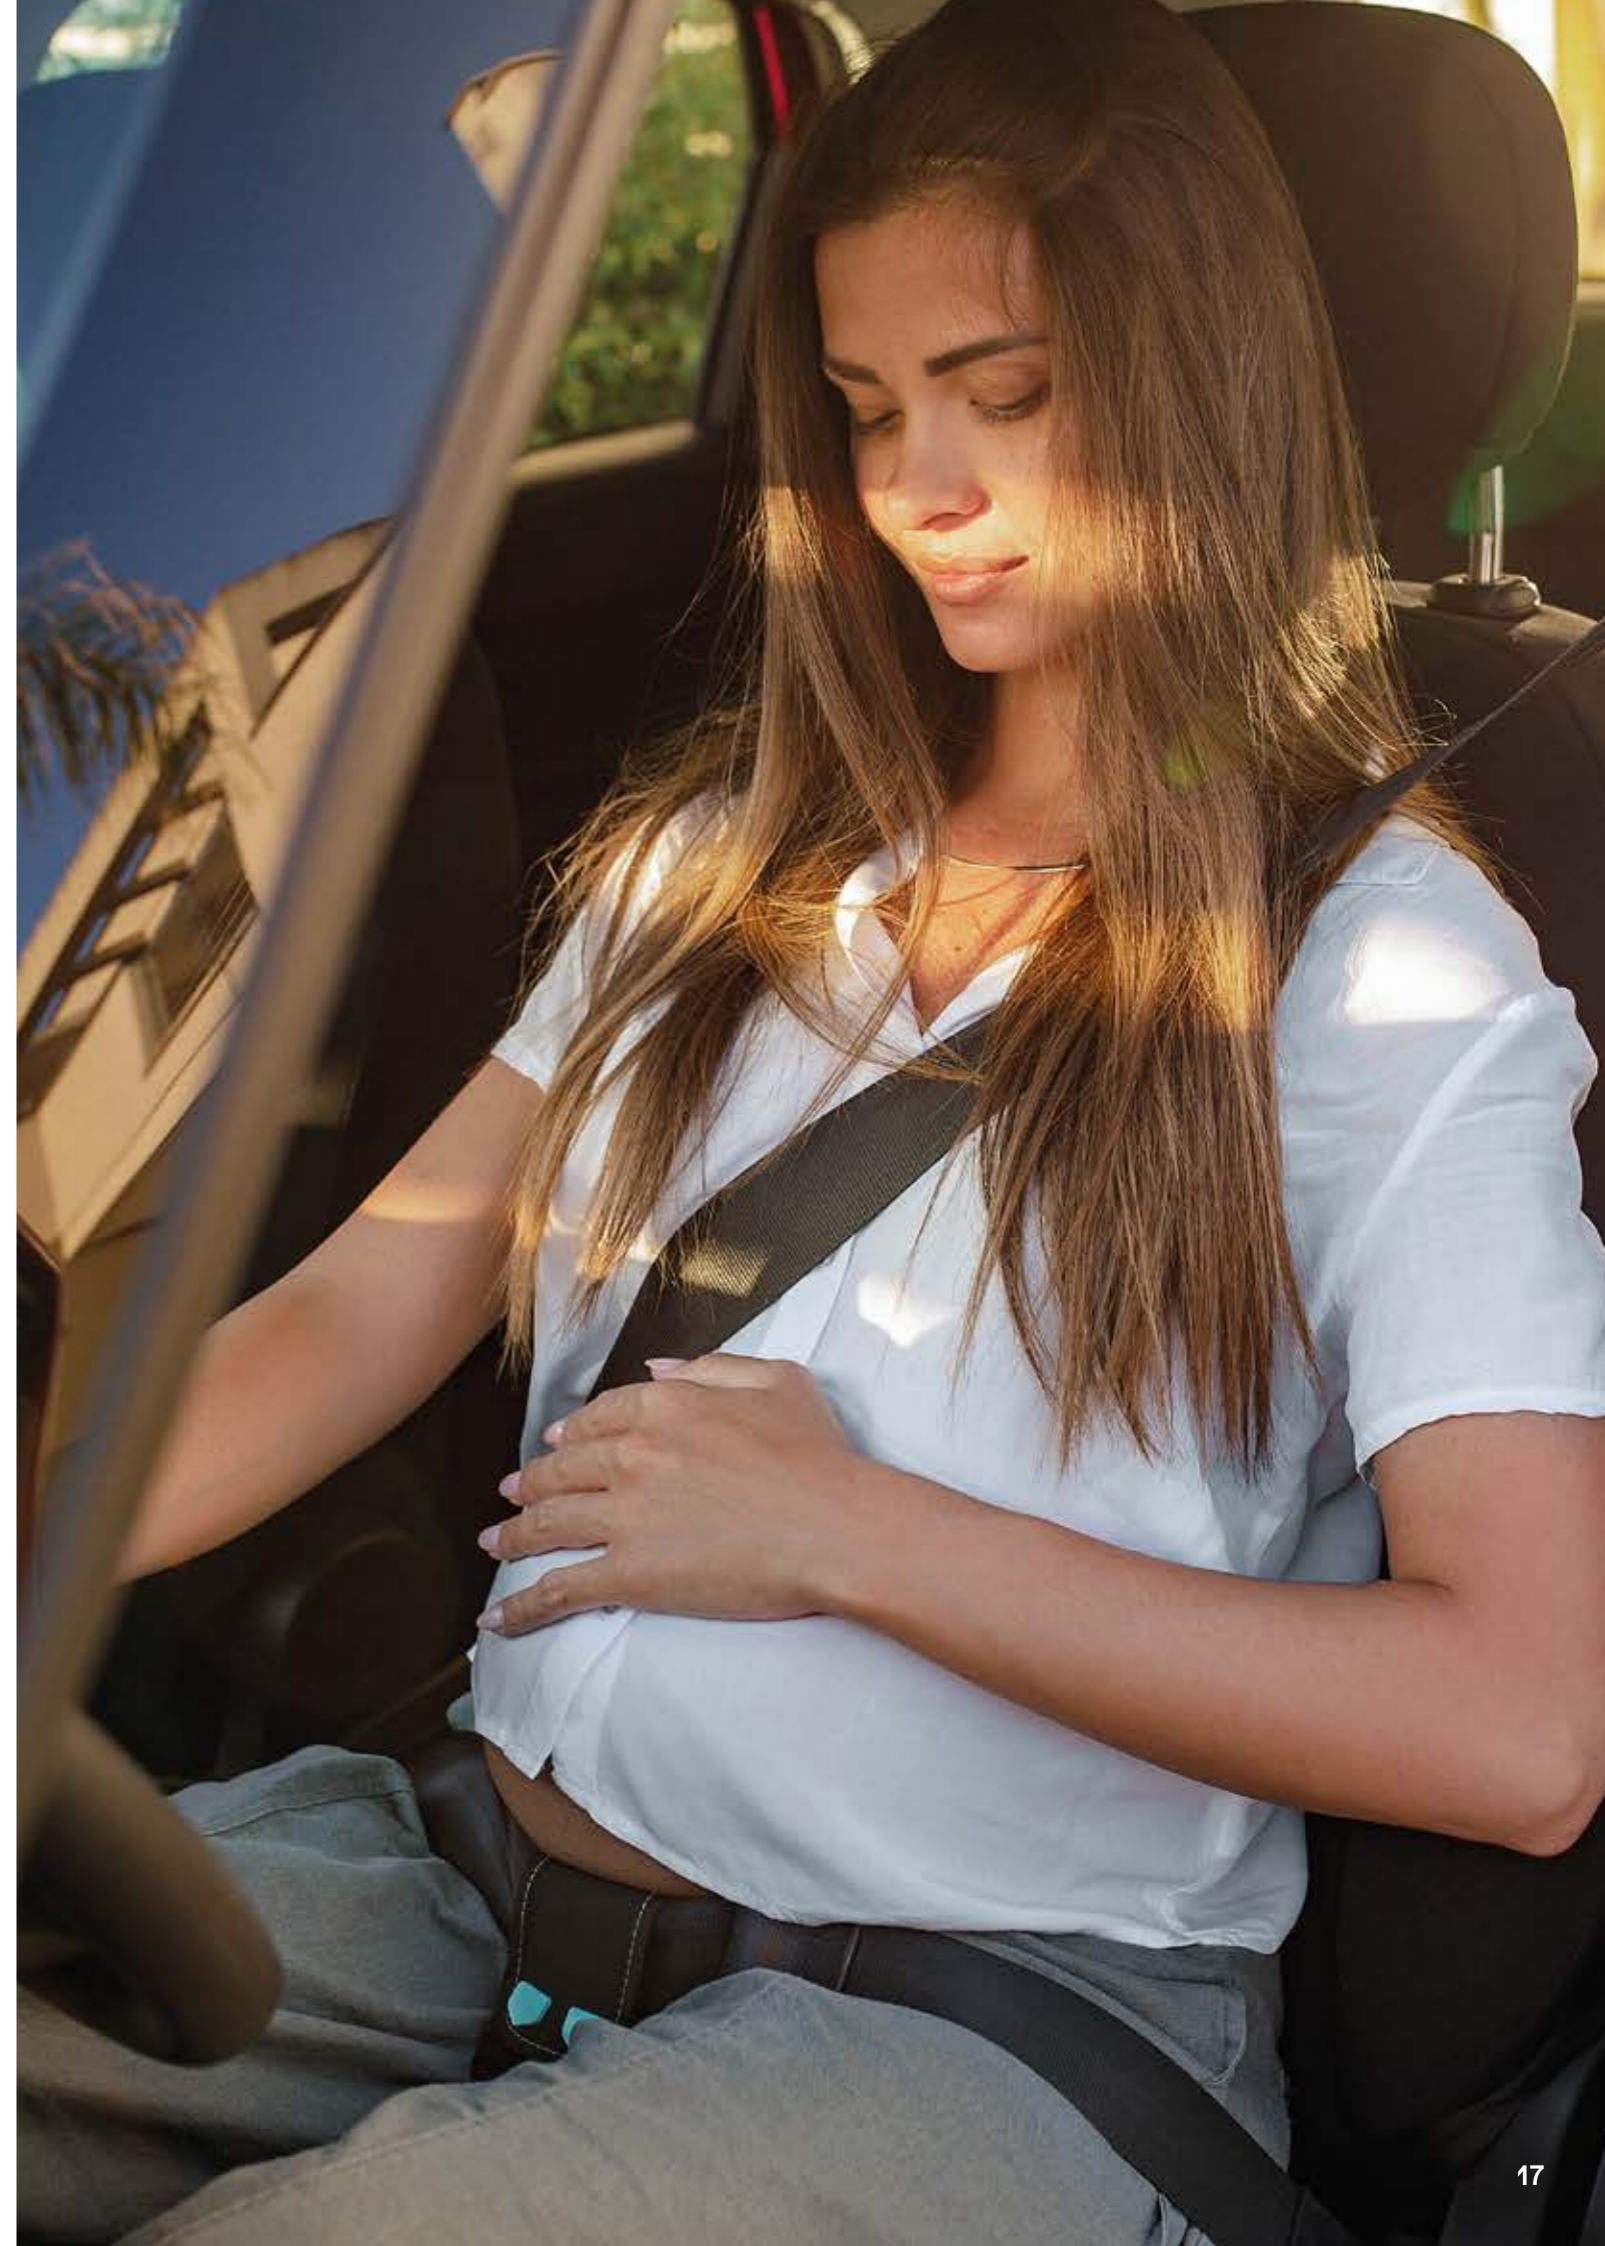

Nevertheless, we decided to subject Koala Driving Belt to crash testing as per **regulation ECE R16**, which is responsible for seat belt safety regulations.

MATERIALS AND WASHING

- 95% Neoprene - 5% Cotton

Hand wash in water with a maximum temperature of 30°. Do not bleach, do not iron, do not wring and do not use a tumble dryer. Dry the product away from direct sunlight.

USE WITH SKIRTS OR DRESSES

Fold the central flap underneath the panel and pass the belt through the side flaps.

USE WITH TROUSERS OR SHORTS

Fold the side flaps underneath the panel and pass the belt through the centre flap.

Koala Newborn Bags

MATERNITY HOSPITAL BAG ORGANISERS

Koala Newborn Bags are for organizing your newborn's first changes of clothing and for finding everything you need in a flash!

You can personalise them by writing your name on the bags with the marker pen included.

- 10 Bags
37×25 cm
- 2 Bags
25×20 cm
- 1 Marker Pen

Bag for birth ready and organised in a flash

- ① Prepare your baby's clothes
- ② Insert one outfit per bag
- ③ Press down to remove any air
- ④ Write your baby's name

Because it's just what you need

Ideal for nursery as well

Koala Silver Cups

SILVER NIPPLE COVER

Koala Silver Cups are silver nipple covers for breastfeeding by Koala. Thanks to the natural healing, antiseptic, and antibacterial properties of silver, they prevent the appearance of sore cracked nipples and, if already present, aid healing. Available in two versions (100% sterling silver and Trilaminate silver), they are anatomically shaped, discreet underneath clothing and specially moulded to fit each and every breast shape, thanks to the two different sizes available.

CERTIFICATIONS

Class 1 Medical Device Koala Silver Cups silver nipple covers for breastfeeding are a Medical Device certified by the Ministry of Health. Nickel-free, they do not alter the taste of milk in any way.

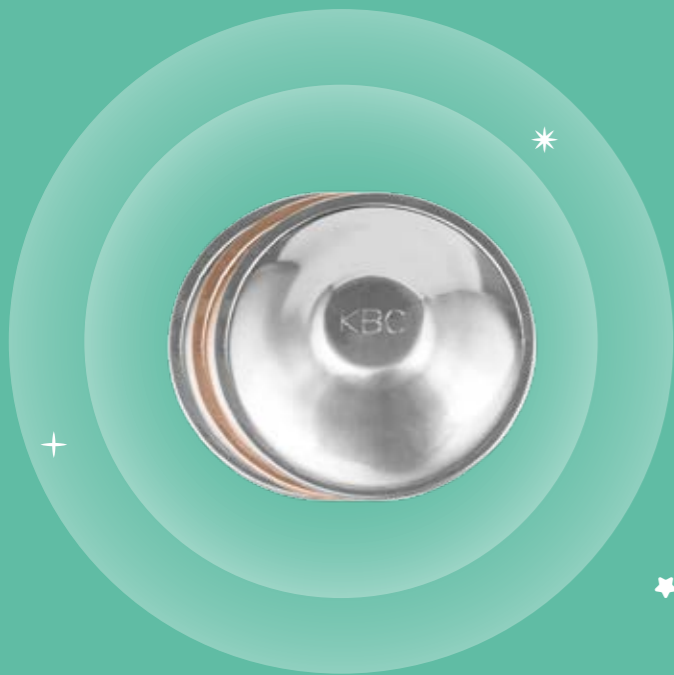

MATERIALS AND WASHING

- **In 100% sterling silver:** pure 999 sterling silver
- **In Trilaminate:** two outer layers of pure 925 silver and an inner central copper layer.

Wash daily with lukewarm water only.
Soak occasionally in warm water and bicarbonate of soda.

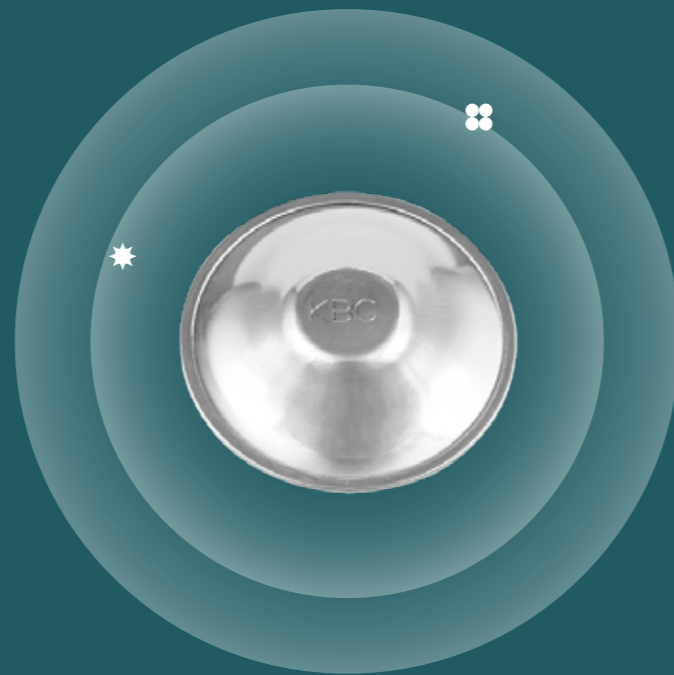

TRILAMINATE SILVER

Two 925 silver outer layers and one copper inner layer.

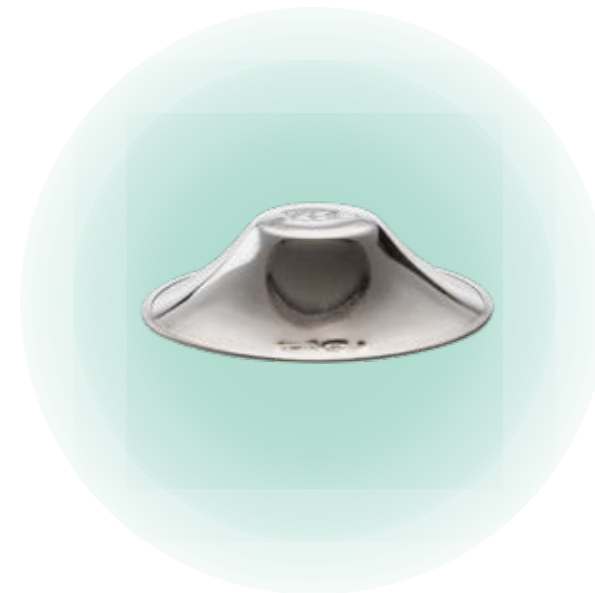

100% SILVER

A single precious layer of 999 pure silver.

Koala Hug Baby

BREASTFEEDING PILLOW

Breast and bottle-feeding are more comfortable for everyone: it reduces muscle tension in mum's (or dad's) arms and shoulders, while providing comfort and support to your baby.

It cleverly transforms to support your baby as they grow and develop, from post-feed relax to tummy time newborn, to their first few attempts at sitting up on their own.

CERTIFICATIONS

Ergonomic Product Certified by the German Institute for Health and Ergonomics (IGR).
Oeko Tex certified textile for the use of toxic-free fabrics.

MATERIALS AND WASHING

- Pillowcase: 100% cotton with 3D breathable mesh on the inside
- Padding: 100% polyester

Pillowcase: Machine wash with mild detergent at 30°C. Dry in tumble dryer on a delicate low temperature cycle. Do not dry clean.

Padding: Machine wash with mild liquid detergent at 30°C. Dry in tumble dryer on a delicate low temperature cycle. Do not iron. Do not dry clean.

Babywearing

Carrying your newborn baby in a sling offers many benefits to both baby and parents: it allows you to be hands-free, it soothes your baby instantly, it nurtures their need for physical contact, which is an essential for developing confidence, and it helps promote psychomotor development.

We offer parents a choice of three different types of baby slings, two stretchy **pre-tied carrier wraps** that are easy and intuitive to put on even for the inexperienced, and an **untied stretchy baby wrap** which allows you to experiment with different babywearing positions.

WHY CHOOSE IT

- Ready-for-use, slips on like a T-shirt
- Competitively priced
- Ideal up to 9 kg
- Soothes your baby and keeps you hands-free

Pre-tied, it's simple to use, slips on over your head like a T-shirt and adjusts to all body shapes and sizes.

Ergonomic back support that helps distribute weight correctly.

Practical rings make it easy to adjust in one single step.

Koala Cuddle Band 2

PRE-TIED BABY WRAP CARRIER

The ready-to-use baby sling for newborns. Its ergonomic, breathable back support evenly distributes baby's weight across your back. Adjustable with a single gesture, it adapts easily to every body shape and size. The certified cotton stretchy fabric guarantees maximum comfort and softness even for newborns.

CERTIFICATIONS

Approved by the **Scuola del Portare®** (Italian Babywearing Education Centre): meets the quality standards of good babywearing.

GOTS-certified organic cotton: natural fibre fabric deriving from organic farming.

IHDI certification: allows for correct positioning of a baby's hips and promotes regular development.

Oeko Tex certification: guarantees the use of toxic-free fabrics.

Colour Fastness: specific tests demonstrating the absence of colour running.

MATERIALS AND WASHING

- Baby carrier: 97% Cotton - 3% Elastane
- Back Support Panel: 100% Polyester

Koala Cuddle Band 2 can be machine washed at 30°. We recommend washing with similar colours.

Do not bleach, do not iron, do not dry clean and do not tumble dry.

Pre-tied, it's simple to use, slips on over your head like a T-shirt and adjusts to all body shapes and sizes.

RINGS: made of satinised aluminium, they are lighter and glide more smoothly on the fabric.

SUPPORT BAND: we've increased the size to both wrap around and support your baby better.

FABRIC: a more natural composition, softer and certified quality.

SPECIAL EDGING: a technical solution that differentiates our baby slings from those on the market and makes them more resistant to use, guaranteeing maximum support for the baby while maintaining softness and elasticity.

A focus on the design improvements versus the previous version

ONE SLING, TWO BABYWEARING POSITIONS

DOUBLE FRONT HAMMOCK

Specific for those very first days of your baby's life - always use with the support band.

SIMPLE X

To evolve with your baby while respecting their physiology - always use with the support band.

Koala Cuddle Wrap

BABY WRAP

The Baby wrap is suitable for babywearing from birth. It evolves with your baby as they grow, thanks to 4 different tying methods: from heart-to-heart position to hip and back carrying positions. The stretchy soft and light 100% organic cotton fabric supports your baby in the best possible way and ensures the perfect fit to every parent's body shape.

CERTIFICATIONS

Approved by the Scuola del Portare® (Italian Babywearing Education Centre): meets the quality standards of good babywearing.

GOTS-certified organic cotton: natural fibre fabric deriving from organic farming.

Plagiocephaly

WHAT IS PLAGIOCEPHALY (FLAT HEAD SYNDROME)

Plagiocephaly, commonly known as Flat Head Syndrome, is a head abnormality that affects 48% of infants during the first few months of life. This is because their skull is still soft and malleable, making it more prone to deformation. Furthermore, during any 24-hour period, young infants spend a lot of time lying on their backs and this leads to a progressive flattening of their skull.

KOALA PERFECT HEAD PILLOW RANGE

Koala Perfect Head range of memory foam pillows has been designed and manufactured alongside osteopaths and paediatric health professionals to help prevent Flat Head Syndrome or treat the condition (if already present) in everyday situations.

OUR CERTIFICATIONS

Koala Perfect Head pillows have been tested and certified by various professional bodies and field experts: in addition to being classified as medical devices certified by the **Italian Ministry of Health**, they have been awarded Hypoallergenic Material, **Oeko Tex** and **REACH** certifications, all which recognise the quality of the fabric.

Vergleich.org awarded them 'Best Baby Pillow 2021' and the German midwives of **Hebammen-testen.de** recommend them with 100% of votes.

paper form

Mums who have tried Koala Babycare

As evening approaches, your bump may start to feel uncomfortable, especially after very busy and hectic days. This band helps support the weight across your back, easing discomfort and helping mums-to-be to get through the day. The extension band, designed to adapt the product for larger mums like me, is also fantastic. The band material is made of comfortable and resistant fabric.

Margherita, Italy (Koala Belly Band)

I used this right from the very first days of my daughter's life, it practically saved me! You can do almost anything whilst keeping your baby close by, who by the way feels safe and snug, and sleeps like a charm! I still use it now (my daughter weighs 8 kg) and if you tie it properly, it doesn't tire you out... and my back is thankful each time! I have recommended it to all mums-to-be, one of the best purchases of my pregnancy!

Francesca, Italy (Koala Cuddle Band 2)

We decided to buy Koala muslin cloths as we already have several of their other items which have been great, plus we were tired of buying cheap but poor quality muslin cloths. From the moment you take them out of the packaging, you can see the high quality standards they've been made to. They retain their colour and softness even after several washes.

Jessica, Spain (Koala Soft Touch)
