

Professional Tooth Whitening
Made in Germany since 1994

Welcome to

WHITeSmile fläsh - Experience live at IDS!

We exhibit all WHITeSmile and fläsh products to interested dentists, clinic staff and dealers.

Experience the fläsh concept live! See how professional tooth whitening with fläsh works in detail and what you as a dentist should bear in mind. Come to hall 11.2, booth P008.

At regular live bleaching sessions, you have the chance to take a close look at everything and ask your questions several times a day. Our competent team is looking forward to meeting you!

Don't miss: Keynotes around professional teeth whitening.

Wednesday d. 15.03.2023, 12:30 - 14:00 hrs.

"Professional Tooth Whitening in your clinic"

Dr. German Gomez, Director of the "Specialist in Esthetic Dentistry" training program, will present various options for integrating and, above all, implementing professional tooth whitening in your practice in the best possible way.

Our team is looking forward to seeing you in Cologne Hall 11.2, booth P008.
