

Company profile 2021

Exclusive italian solutions for professionals

The Origin

A family story combining expertise and distinguishing Italian quality searching for technologically advanced, innovative, customised and flexible solutions that meet the highest standards demanded by the international markets.

Since 1987 we have developed and manufactured solutions for the dentistry, medical and industrial markets.

A stable and well-structured company being part of the Nostrum Group that has manufactured plastic and dentistry items since 1923.

We merge the special care of Italian handicraft with constant research into technological and innovative solutions with the sole aim of meeting the demands of the market.

1923

THE NOSTRUM GROUP WAS FOUNDED IN 1923 AS MANUFACTURER OF AUTOMOTIVE GAS GENERATORS WITH A COMPANY BRANCH SKILLED IN MOULDING OF PLASTIC COMPONENTS.

1975

THE GROTTI FAMILY TOOK OVER THE NOSTRUM GROUP AS THE MAIN SHAREHOLDER AND STARTED THE GALVANIC AND ANODIZING PROCESS WHILE STRENGTHENING THE PLASTIC MOULDING.

1987

LUCIA PUCCETTI AND LUCIANO GROTTI ESTABLISHED DENTAL MARKET, A COMPANY SPECIALISED IN THE PRODUCTION OF ACCESSORIES FOR DENTAL SURGERY WITH 3 PRIMARY COMPONENTS MADE OF PLASTIC, STAINLESS STEEL AND ANODIZED ALUMINIUM.

2018

FRANCESCA, LAURA AND PATRIZIA GROTTI PURSUE THE GROUP PATH TAKING UP A NEW CHALLENGE AS FEMALE ENTREPRENEURS.

People

Francesca, Laura and Patrizia carry on the history of the Grotti family devoted to chasing excellence and quality with a new and distinct vocation to international markets.

Francesca Grotti

“I am in charge of running the production of plastic items and research, new product innovation and new materials.”

Laura Grotti

“I am in charge of the Dental Market commercial office, trade fairs organisation, development of new customised product together with our customers, and company certification.”

Patrizia Grotti

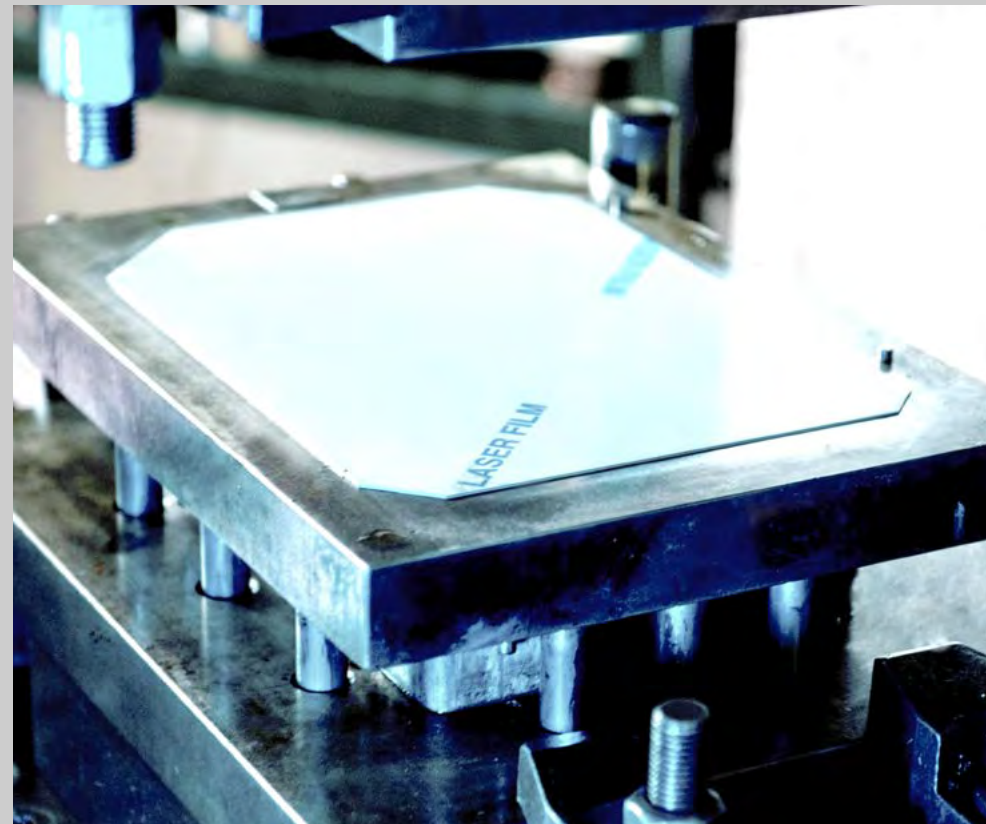

“I am in charge of running the production of aluminium and stainless steel items, managing the company’s financial aspect and looking for new collaborations.”

Francesca, Laura and Patrizia

Flexibility, Innovation, Development

We face our daily work sticking to our keywords:
flexibility, innovation, and development.
We always strive to satisfy your expectations
paying strict attention to any details and solutions
that we can offer you or design together.

Quality Made in Italy

**Handmade touch, cutting-edge equipment.
Flexibility and safety.**

For us, made in Italy means quality, high specialisation, distinction and style.

Our three plants in Italy allow us to ensure regular quality control over the entire supply chain. Apart from shortening manufacturing times as much as possible and keeping high production standards, we can add a handmade touch to large productions.

Plant 1 · Registered office · Bozzano/LU

Plant 2 · Guamo/LU

Plant 3 · Capezzano/LU

We trade medical devices with conformity and CE declarations registered with the Italian Ministry of Health always updated with the current regulations.

Our certifications are annually renewed.

Quality + Sustainability

We believe in a healthier and more sustainable economy achieved through innovation in the production systems and efficient use of raw materials.

Dental Market intends to address the increasingly urgent social challenges by focusing on the Sustainable Development Goals aimed at improving the transition to a circular economy and concrete actions regarding the environmental approach.

We breathe new life into plastics. Our products' life cycle starts by using recyclable raw materials and aims at raising awareness among final consumers on acceptable recycling practices, thus creating a circular economy for a conscious use of plastics.

Our approach to environment

Dental Market invests in developing green technologies enabling our consumers to contribute to a healthier world every day. We always make decisions to reduce our activity environmental impact while ensuring healthy ecosystems.

Production

Fast, high-performing, tailored solutions.
This has always been our production objective.

Three specialised divisions

Stainless steel and aluminium

Disposable tissue

Plastic

Our flagship items allow us to react quickly to totally tailored projects, both as to products and packaging.

Fast, high-performing, customised solutions

Our production model

A production method springing from decades of experience allows us to have always any items in stock ready for dispatch, thus avoiding you needless stockpiling and, at the same time, ensuring the best value for money while still giving the chance of receiving even small lots of product.

Our abiding goal is merging our long-term experience of activity with production flexibility, keeping up with the pace of the market's innovations.

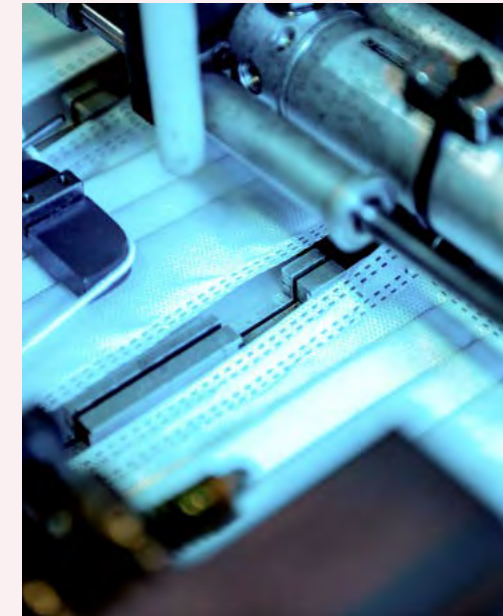

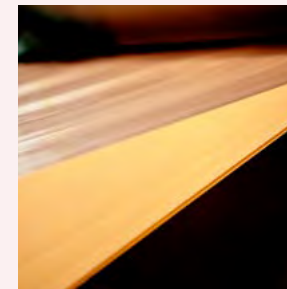

We ceaselessly innovate to find new solutions to your demands, looking for the highest production reliability by optimising our processes.

Private Label

We put at your disposal
our production capacity and flexibility
we have developed over the years, as well as the
customisation ease ensured by our technologies.

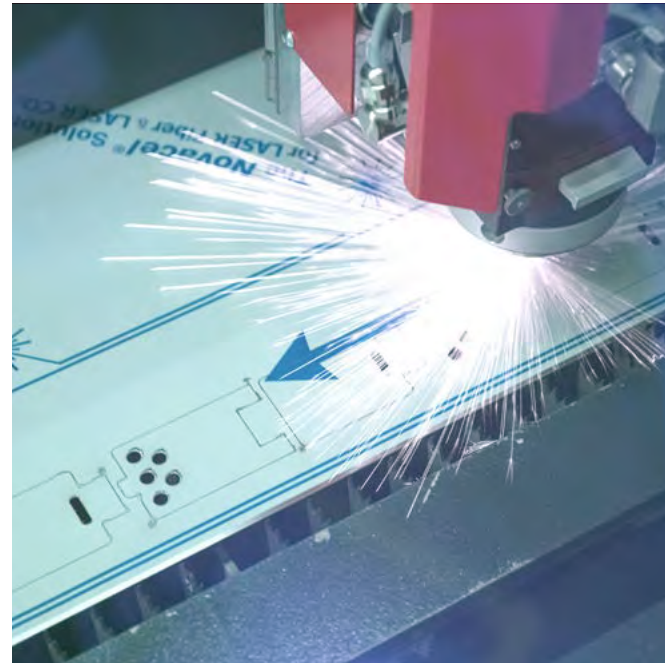

This is how the Private Label division of Dental Market
was born. It can satisfy any production demand being
very versatile both as to quantity and design.

Our technical department can fully develop any
customised projects thanks to our main strengths:

- Production of stainless steel and aluminium items
- Moulding of plastic materials
- Production of disposable tissue articles

Metal

- ✓ Full laser customisation
- ✓ Customisation of very small quantities can be ordered
- ✓ Stock ready for dispatch
- ✓ Made in Italy
- ✓ CE and Conformity Declarations of the Italian Ministry of Health
- 🏭 Plant 1 - Bozzano/LU

Production of stainless steel and aluminium items

In our plants in Italy, we produce aluminium and stainless steel items, including impression trays, instruments, the complete line of omnitrays and endodontic boxes totally customisable as to design and brand.

Special Lab

Our special laboratory for Dental Surgical Instruments uses numerical controlled and manual machine tools under highly qualified personnel supervision.

Tissue

- ☒ Small quantity orders
- ☒ Stock ready for dispatch
- ☒ Made in Italy
- ☒ CE and Conformity Declarations of the Italian Ministry of Health
-  Plant 2 · Guamo/LU

Production of disposable tissue items

In our plant in Lucca, which is worldwide known as one of the leading paper districts, we produce a wide range of tissue items from top quality raw materials in a full range of colours and sizes.

Disposable wipes

Made of pure cellulose plies, they ensure a perfect absorption of liquids leaking out during treatments, as well as ideal impermeability, thanks to the polyester film effectively laminated without adhesives.

Plastic

- ✓ Small quantity orders
- ✓ Stock ready for dispatch
- ✓ Made in Italy
- ✓ CE and Conformity Declarations of the Italian Ministry of Health
- 🏭 Plant 3 · Capezzano/LU

Production of disposable plastic items

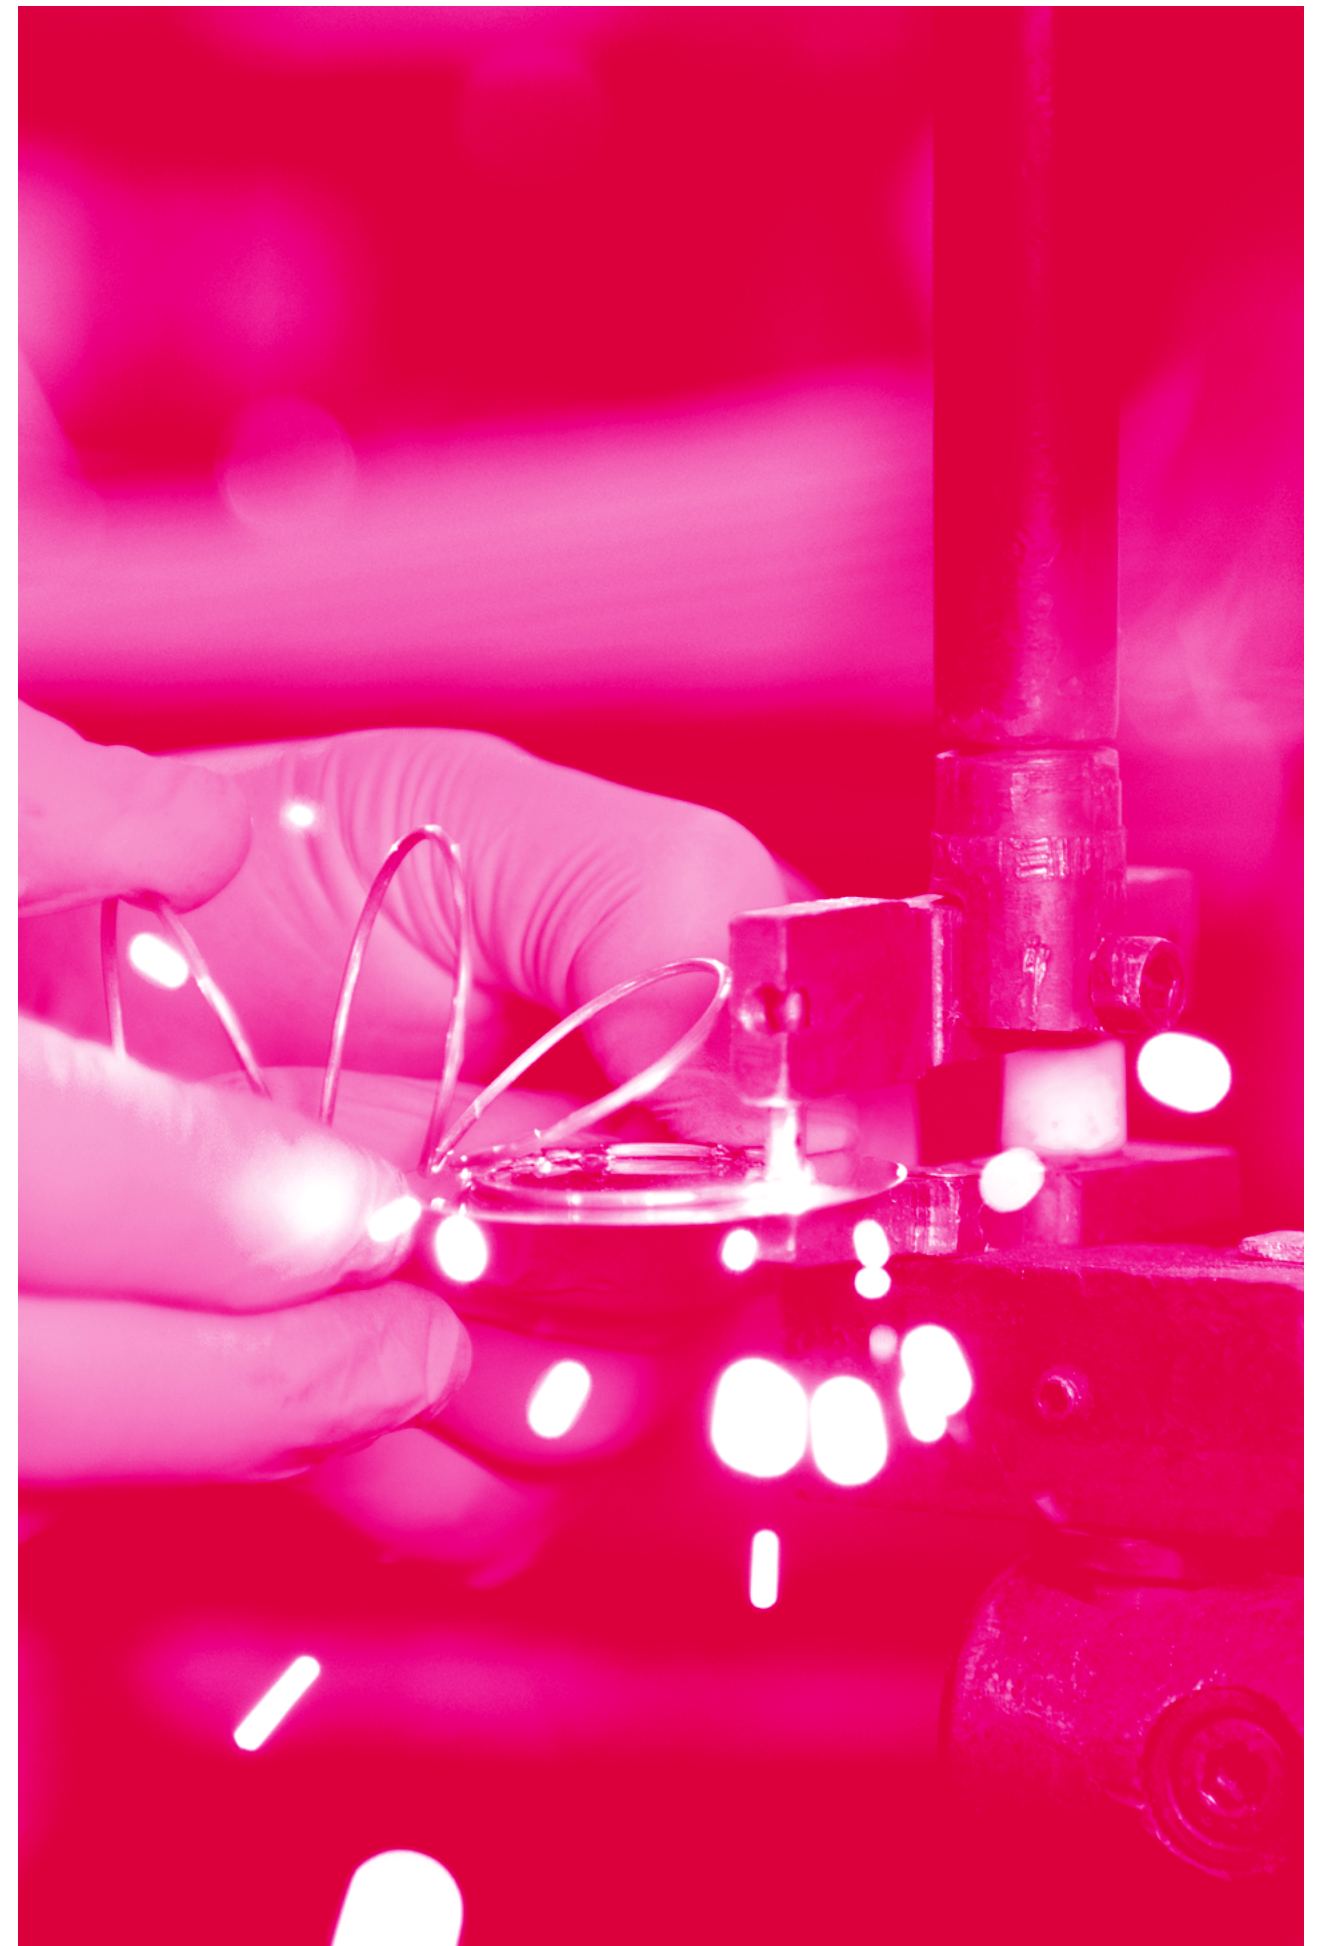

In 1987, we began our adventure in manufacturing plastic items. Over the years, we have regularly improved our machinery technologies that are now fully automatic, thus enhancing our finished products.
