

HEYGEARS

Company Introduction

HEYGEARS INDUSTRY MAP

WHAT WE OFFER

WHAT WE OFFER

3D Printing and Post-processing Equipment

ULTRACRAFT ChairSide Pro

- Rapid Small-batch Production
- Efficient Desktop 3D Printing

ULTRACRAFT AirCure

- Efficient Post-curing Process
- Auto-configured Post-curing Strategy

ULTRACRAFT ChairSide

- Easy to Use
- Smart and User Friendly
- Desktop Printer

ULTRACRAFT AirWash

- Auto-configured Washing Strategy
- Atomized Agent Washing Technology

ULTRACRAFT A3D

- Fully Integrated Automation
- Intelligent Mass Production

ULTRACRAFT HIVE MODULE

- 3 L Material Refill Capacity
- 24/7 Automation

ULTRACRAFT RESIN STATION

- 24 L Material Refill Capacity
- Large Scale 24/7 Production

ULTRACRAFT A2D 4K

- Ultra-high Precision & Detail
- 96% Data Reconstruction Accuracy

ULTRACRAFT A2D

- Entry-level Manufacturing 3D Printer
- Prints 50+ Applications

Visit the official website to learn more: <https://www.heygears.com/hardware>

DIVERGE DENTAL

DIVERSE DENTAL MATERIALS

ULTRAPRINT DENTAL RESINS

cover more than **70%** of dental applications and are customizable for multiple sub-applications.

WHAT WE OFFER

HeyGears SaaS Platform for Integrated Production Solutions

DATA PROCESSING HUB

Industrial-level 2D/3D Algorithm
Automated Design & Data Processing

HEYGEARS CLOUD

SMART DEVICE MANAGEMENT

Industrial-level IoT Platform
Remote Equipment Management & Maintenance

HEYGEARS DESIGN

Professional Customized Design Service

- Various Dental Applications
- 200+ Dental Designers
- 24/7 Online Support

One-click Automation

- Easy AI Recognition
- Efficient One-click Processing
- Application-orientated Customization

ULTRA-NET

Visualized and Connected Management System for 3D Production

- Secure Data Transmission via HeyGears Cloud
- Smart Intelligent Production Scheduling
- Equipment Operation Monitoring

HEYGEARS FULL-CHAIN DIGITAL SOLUTIONS

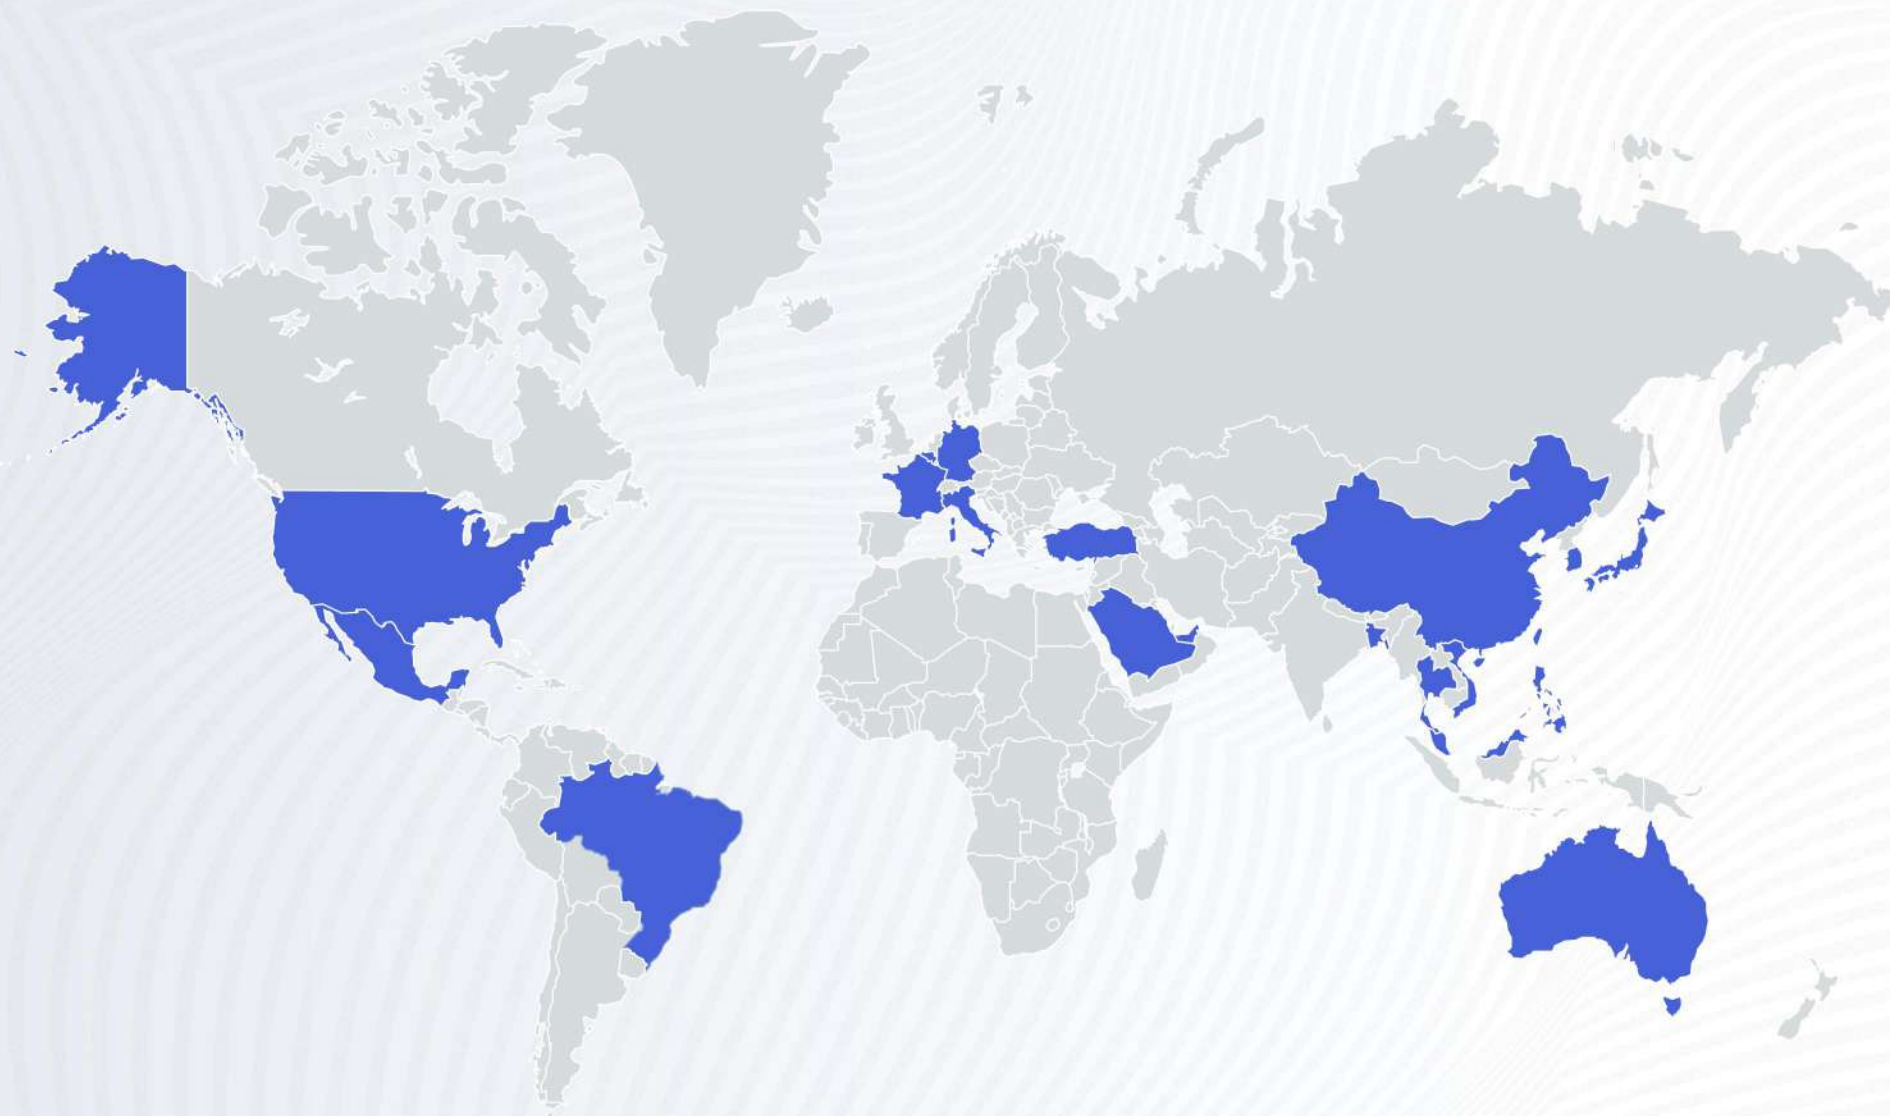

Software and Hardware Working Across Multiple Digital Fields

GLOBAL COVERAGE

- North America
- Latin America
- Europe
- Middle East
- Asia Pacific

SUPPORT

**Online & Offline
24/7 Support**

**Fast Response
Within 30 Minutes**

**On-site Service
Within 48 Hours**
