

FROM PROS TO PROS

About us

Hranipex is a leading European manufacturer and supplier of products and expert consulting for the furniture industry. The group, which is headquartered in the Czech Republic, was founded in 1993, and today is active in more than 60 countries around the world. Its wide product portfolio includes furniture fittings, edge banding, adhesives, cleaners and other components for furniture production.

Hranipex is aware of its social responsibility and adheres to the highest ethical principles and to principles of sustainable development. It pays attention to investments in research and development, safety and quality, and promotes new technologies leading to energy savings and emission reductions. It reinforces its commitment to protecting the environment.
