

WHO IS BOCON?

We are a family company with an entrepreneurial spirit

Bocon is a family business founded in 1987 with the enthusiasm of Luca Ricci and his wife Donatella, entrepreneurs with a great food and wine culture. Bocon is located very close to the Prosecco hills in the Veneto region. It is internationally recognized as a manufacturer of **premium quality** frozen ready meals for the retail and food service channel.

Our mission is to always bring true Italian quality products to tables all over the world.

2022

A NEW, FUTURE-ORIENTED PRODUCTION PLANT

As a company engaged in the food industry, we invest in the protection of our environment through:

- Water purifier to recover used water
- 1,1 MW self-produced solar energy (20% of company's energy demand)
 - Ammoniac freeze process to save energy and curb Co2 emissions
 - Modern packaging machine to use 100% recyclable film
