

We have been in business for more than 65 years **PREMIUM QUALITY**  
and sell our products in over 40 countries...

**MADE IN GERMANY**

## ABOUT US

Since opening its production facility in Berlin 2005, the company provides to its customers in the USA, Canada, Saudi Arabia, China and Europe with the quality honey of the brand BURAM. Germany is not only conveniently located in the heart of Europe, but it is especially known for the very high quality standards.

Especially in recent years, the product range has been continuously expanded. Well situated next to pine honey and blossom honey also the following products on the shelves of supermarkets: Organic blossom honey, acacia honey, chestnut honey, linden honey, thyme honey, comb honey, bee pollen and royal jelly.

In addition to the main business, the sale of honey in various packaging sizes, the Buram GmbH natural-ly thanks to strong growth as a wholesaler in the honey market. Buram buys his honey worldwide directly from the beekeepers and supplies big honey bottlers in Europe. The Buram brand has evolved from a small family business to a large international company, but his philosophy has always remained faithful. 'We only produce honey of the highest quality'

### OUR QUALITY POLICY

Service and quality at an attractive price to offer to our customers are the superior objectives of our company.

### OUR MARKET IS THE WORLD

From Berlin in the whole world: The Buram GmbH delivers international in more than 40 countries on 5 continents. Our customers benefit from our logistical and strategic location in the heart of Europe.

### QUALITY
