— OUR COMPANY —

Located right in the heart of Belgium, our family owned business has developed **for more than 85 years** a unique know-how combining both traditional Belgian recipes & superior quality ingredients such as wheat flour, whole egg, real butter, natural yeast and the famous Belgian pearl sugar!

The incomparable taste and texture of our waffles has earned Avieta **international recognition** and our products are now distributed by major food groups mainly under their own brand names, in both retail and food service.

Waffles manufactured by Avieta are enjoyed all around the world.

Avieta employs around two hundred people in its bakeries located in Belgium and is constantly investing to set up new waffle concept. Avieta complies with the strictest food standards, being certified AIB – IFS – BRC.
