Riding boots & jodhpurs

# (Y)OUR DREAM

Dream big. That's what ANKY stands for. Get inspired and motivated to pursue your biggest dreams. The sky is not your limit, it's only a view. Our biggest dream is to see yours come true. And we will do anything to make it possible. Products that are comfortable, technical AND fashionable contribute to this.

We are therefore very proud that we can finally announce this new product line: the one and only **ANKY footwear!** Named after the biggest fashion cities in the USA. Because besides experiencing optimal comfort, you are a fashion icon in our footwear.

Every rider knows that a good pair of boots is a must for intensive training and a good competition. It should provide good support, be comfortable and look elegant. With these aspects in mind, we have developed **three beautiful, high quality riding boots** and **matching jodhpurs.**

# CHICAGO

This elegant, classic riding boot is designed with unique features like insoles with shock absorption & DRI-LEX® to give you the best support while riding. The boot is not only comfortable to wear, but it also has a luxurious look and feel due to the European premium soft leather.

- Elastic next to the inside zip for a nice fit
- High crystal rock dressage arch
- Anti-slip on the sole
- Semi hardened outside

**Fashion fact:** the part at the ankle is produced in such a way that it gives an extra elegant look. The perfect boot for competitions.

# NEW YORK

Make a statement with this boot. It fits wonderfully around your leg thanks to quality and softness of the leather. Developed with eye for detail, the New York boot has the most beautiful crystal rock dressage arch.

- Heel and sole with shock absorption
- Lace for a close and adjustable fit
- Semi hard outer shell
- Inside zipper with keeper
- Shock absorbing insole with DRI-LEX® for a great moisture wicking management and an anti-slip sole

**Fashion fact:** the high dressage arch and narrow ankle make your leg look thinner and longer.

# LOS ANGELES

The Los Angeles boot has a double injection sole in 2 tones, TPU and is strong and wear resistant. Summarizing: the perfect boot for your trainings. You can walk all day on this boot. Because of the high-quality leather and anti-slip on the inside, this is an ideal boot for all day wear.

- Elegant shape with high dressage arch
- Back side zip
- Elastic next to the zip for a close fit
- Soft outer surface, not extra hardened
- Designed protection element at front

**Fashion fact:** this boot has a metal insole for more stability. Comfortable yet elegant!

# PHOENIX

As a fashionable rider, you always want to look marvelous. And why not while wearing jodhpurs? The jodhpur is made of European premium soft leather and is therefore extra comfortable to wear. The combination of lace and zip makes the shoe fit your foot perfectly.

- Strong sole with unique new technique: durable double-injected sole with innovating self-cleaning, non-slip hexagon profile
- Zip & lace for a close and adjustable fit
- Metal shank for more stability
- Designed protection element at front
- Breathable lining made of calfskin

**Fashion fact:** the logo on the shoe is made using a modern laser technique.

# THE FACTS

Our biggest dream is to see yours come true. Because of the technical aspects in the sole, you will literally feel like you are on clouds. All soles are composed of 3 parts and both heel and sole have a high shock absorption. Wearing ANKY footwear you will know how it really feels to be on cloud nine.

All footwear is made of high quality European Premium Leather. Due to this soft yet durable leather, the boot is instantly comfortable. You don't have to get used to these boots and you don't have to break in these boots, you just get on your horse. Or on the catwalk, that's up to you.

## **The facts:**

- European Premium Soft Leather
- Calfskin lining for extra comfort
- High dressage arch, making your leg look longer
- Anti-slip leather on the inside
- Worked at the ankle for an extra elegant look
