

Wawibox

The professional inventory management

Easy ordering and efficient stock management of your dental items

- Intuitive handling
- Order and control
- Optimal workflow

Why Wawibox Pro?

With the clever online stock management, you bring transparency to your inventory and relieve your team.

- ✓ Automatic stock alerts
- ✓ Integrated price comparison with shopping cart optimizer
- ✓ Expiration data management
- ✓ MDR-compliant batch documentation
- ✓ Utilization statistics

The intuitive handling and practical functions ensure easy integration into your everyday practice.

- ✓ High-quality technical equipment (optional)
- ✓ No installation necessary, Wawibox Pro can be accessed from anywhere
- ✓ Free webinars for personnel

This is how it works

With us, you can achieve modern, digital stock management in three simple steps.

1

Online Demo

We will show you and your team how the Wawibox works.

2

Initial inventory

We will guide you in person or by phone during inventory and setup.

3

Let's go

You immediately benefit from time-saving processes and more overview.

We invite you to a non-binding exchange

- You receive a data center including usage rights for all devices.
- With us you stay flexible: Wawibox Pro can be cancelled monthly.

For the required hardware and setup you will receive an individual offer.

Let's keep in touch

Free and non-binding advice by email, chat and telephone - we look forward to hearing from you!
