

**NuFONA® X1 Series**  
is the best dental operating system of its class.

Designed and built fully according to industrial standard and offering high quality using advanced production process. NuFONA® X1 Series is tailored for professionals in mind. It has all the features to provide optimal support with ergonomic design for better workflows, high quality standards in processing and design, and an unsurpassed value. Using our innovative power to provide more efficiency during treatments and improving the working environment.

Originated from the design concept of German engineers and after more than 10 years of process improvement, the innovated NuFONA X1 has a robust structure and meets highest ergonomic and safety standards.

**Reliable & Durable**

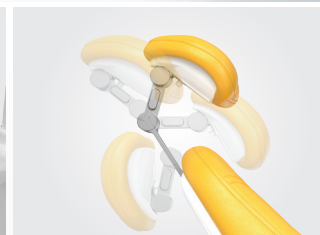

**Simple and Quick Operation**

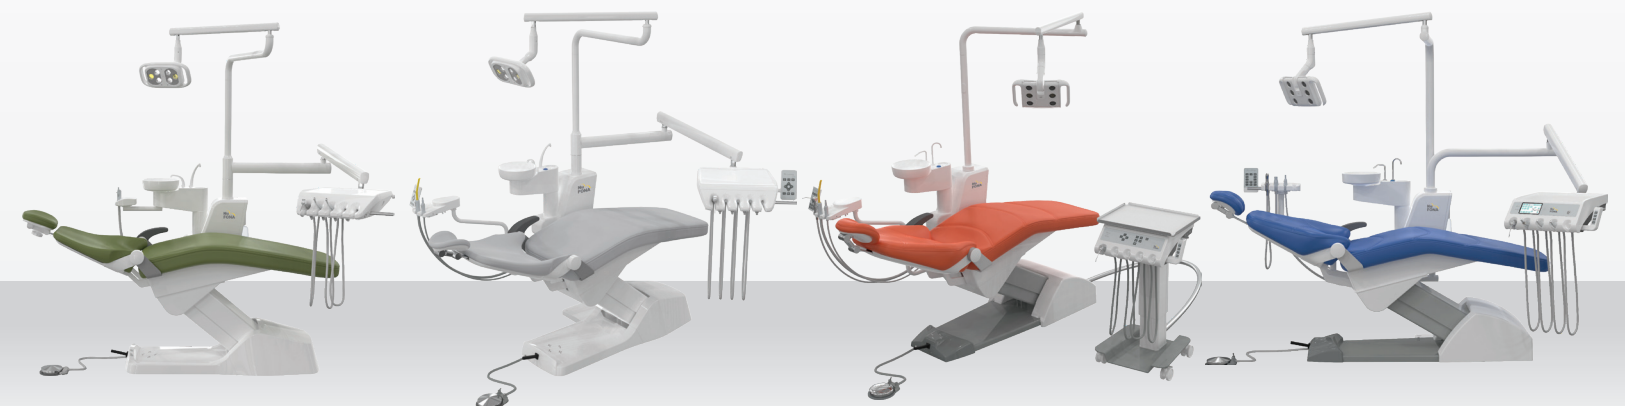

**Flexible Control**

**Complete Hygienic**

**Comfort in Mind**

**NuFONA® X1 Preferred**

**NuFONA® X1 Smart**

**NuFONA® X1 Expert**

**NuFONA® X1 Master**

# WHERE POWER & PRECISION MEET

Powerful & Precise    Efficient & Durable    Lightweight & Smooth

## NuFONA® F1000

### Non-Optic High Speed Handpiece

- 19W of Torque
- 400,000 RPM
- Push Button Chuck
- Micro-tex Surface
- Triple Water Spray

Code	Model	Head
HP8200	F1000-S/M4	Standard Head
HP8201	F1000-M/M4	Mini Head
HP8202	F1000-45/M4	45 degree Head
HP8203	F1000-S/B2	Standard Head
HP8205	F1000-M/B2	Mini Head
HP8206	F1000-45/B2	45 degree Head

## NuFONA® F2000

### Fiber-Optic High Speed Handpiece

- 21W of Torque
- 400,000 RPM
- Push Button Chuck
- Micro-tex Surface
- Triple Water Spray

Code	Model	Head
HP8208	F2000-S/K	Standard Head
HP8209	F2000-M/K	Mini Head
HP8210	F2000-45/K	45 degree Head
HP8212	F2000-S/N	Standard Head
HP8213	F2000-M/N	Mini Head
HP8215	F2000-45/N	45 degree Head

## NuFONA® Coupler

Code	Model	Type
HP8310	CP K M4	Swivel, Coupler, Kavo type 4 Hole
HP8311	CP K B2	Swivel, Coupler, Kavo type 2 Hole
HP8312	CP K E6	Swivel, Coupler, Kavo type 6 Hole
HP8313	CP N M4	Swivel, Coupler, NSK Ti-M type 4 Hole
HP8315	CP N B2	Swivel, Coupler, NSK Ti-M type 2 Hole
HP8316	CP N E6	Swivel, Coupler, NSK Ti-M type 6 Hole

## NuFONA® Low Speed Handpiece

Beyes offers multiple types of low-speed handpieces for your daily treatment needs. Beyes handpieces work perfectly with a common handpiece shank, offering convenience and flexibility for every clinician's diversified needs.

### Straight Nose Cone

Code	Model	Type
ST8016	F20S-NS	20K, 1:1, No water spray
