

# Smart Digital Solutions for Your Clinic

## FIVE WHYS

### Automated Check-In!

Streamline reception tasks by replacing manual processes with an efficient, automated check-in system.

01

### Self-Care Education and Prevention with Proven Results!

Show that you care and strengthen your brand.

02

### Automated Pre-Treatment Form and Self-Care Status to Be Transferred to Your Records!

Get a quick overview of a patient's health and self-care. Save time by automated written summaries.

03

### Identify Patients' Interest in Additional Services!

Increase sales of your selected treatments based on genuine demand.

04

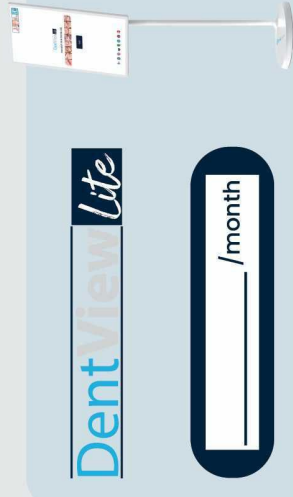

### Patient Engagement with Treatment and Your Clinic Continues at Home!

Provide ready-made, high-quality notes tailored to special needs with 3D.
