

WE ARE MOTIONITALIA

Motion has been a global leader in seating transformation for more than 30 years, supporting the world's largest manufacturers everywhere and every day by working relentlessly to offer **technology** that helps people **feel better** and **live better** in every situation.

ABOUT OUR COMPANY

Driven by a relentless pursuit of excellence in every detail, along with continuous investment in research and development, new technologies, materials and processes, the Motion Group has earned a reputation as a **global leader** in the development of **intelligent mechanisms** and **electronic components**.

30+

Years of experience

100+

Projects every year

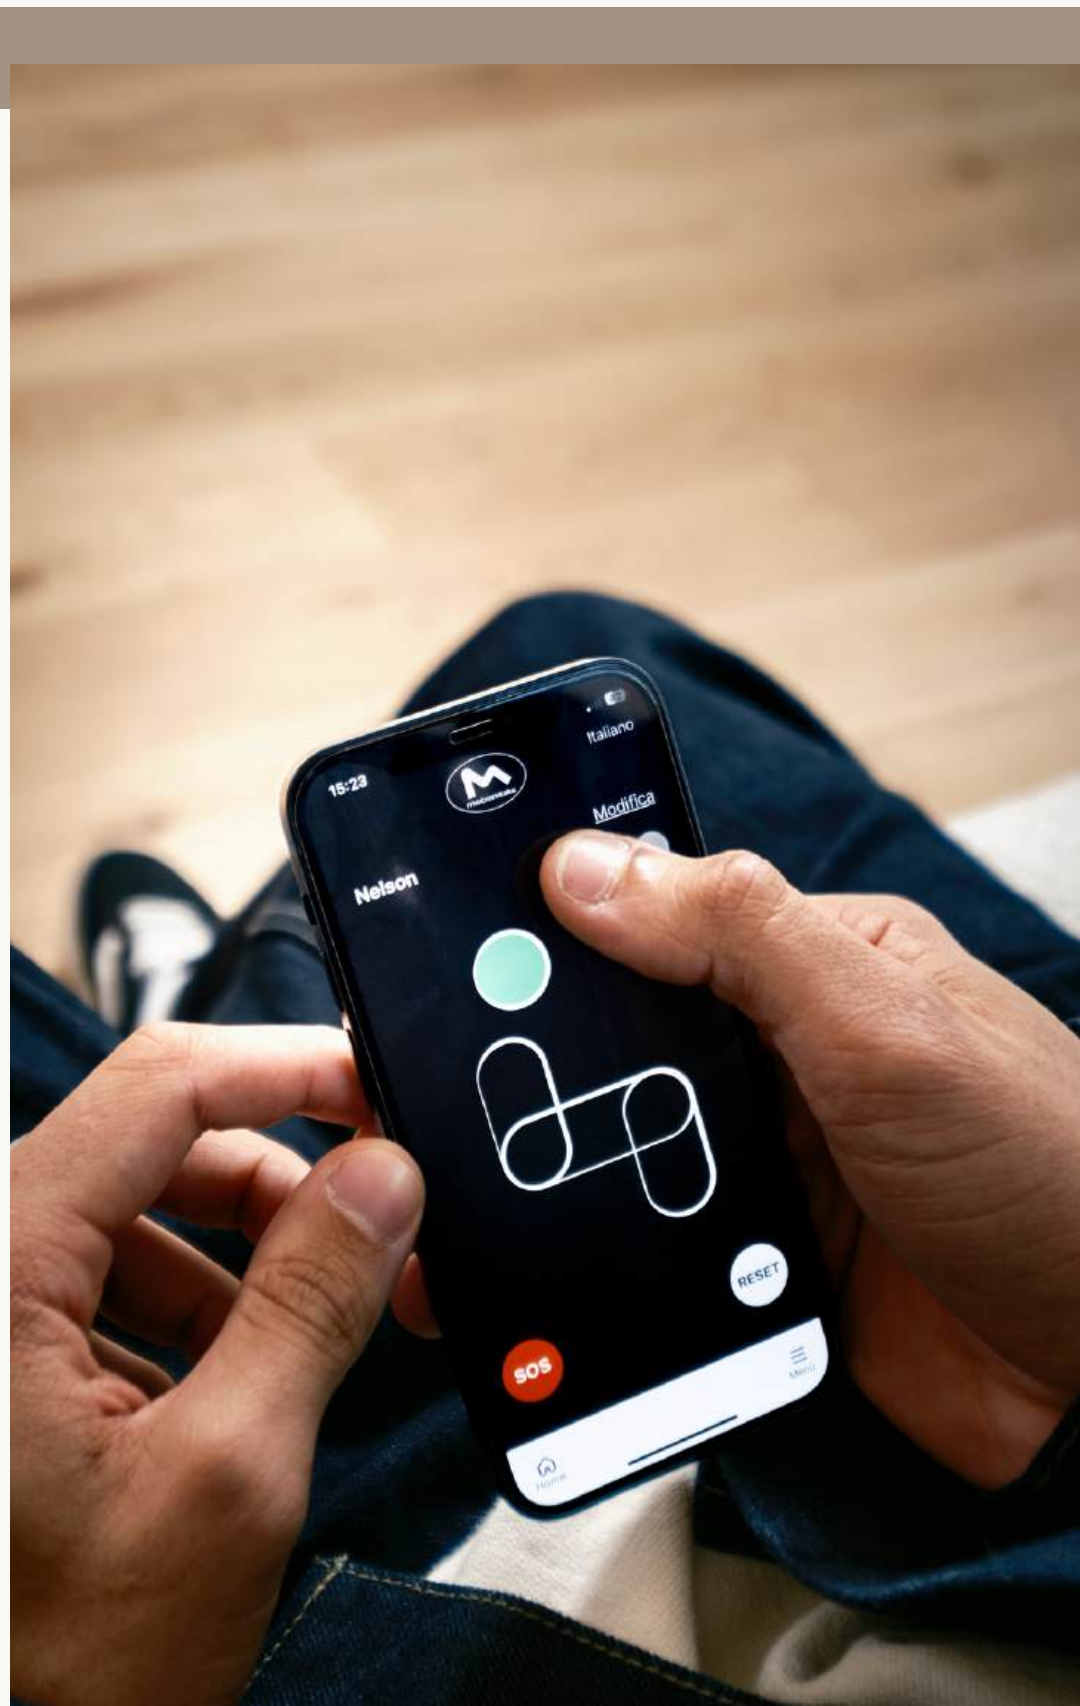

MODERN DESIGN

Motion Group's unique vision, creativity and commitment have made **seating systems** for **sofas, armchairs, sofa beds** and **electric bed systems** a separate category in their own right in recent decades.

OUR TECHNOLOGY

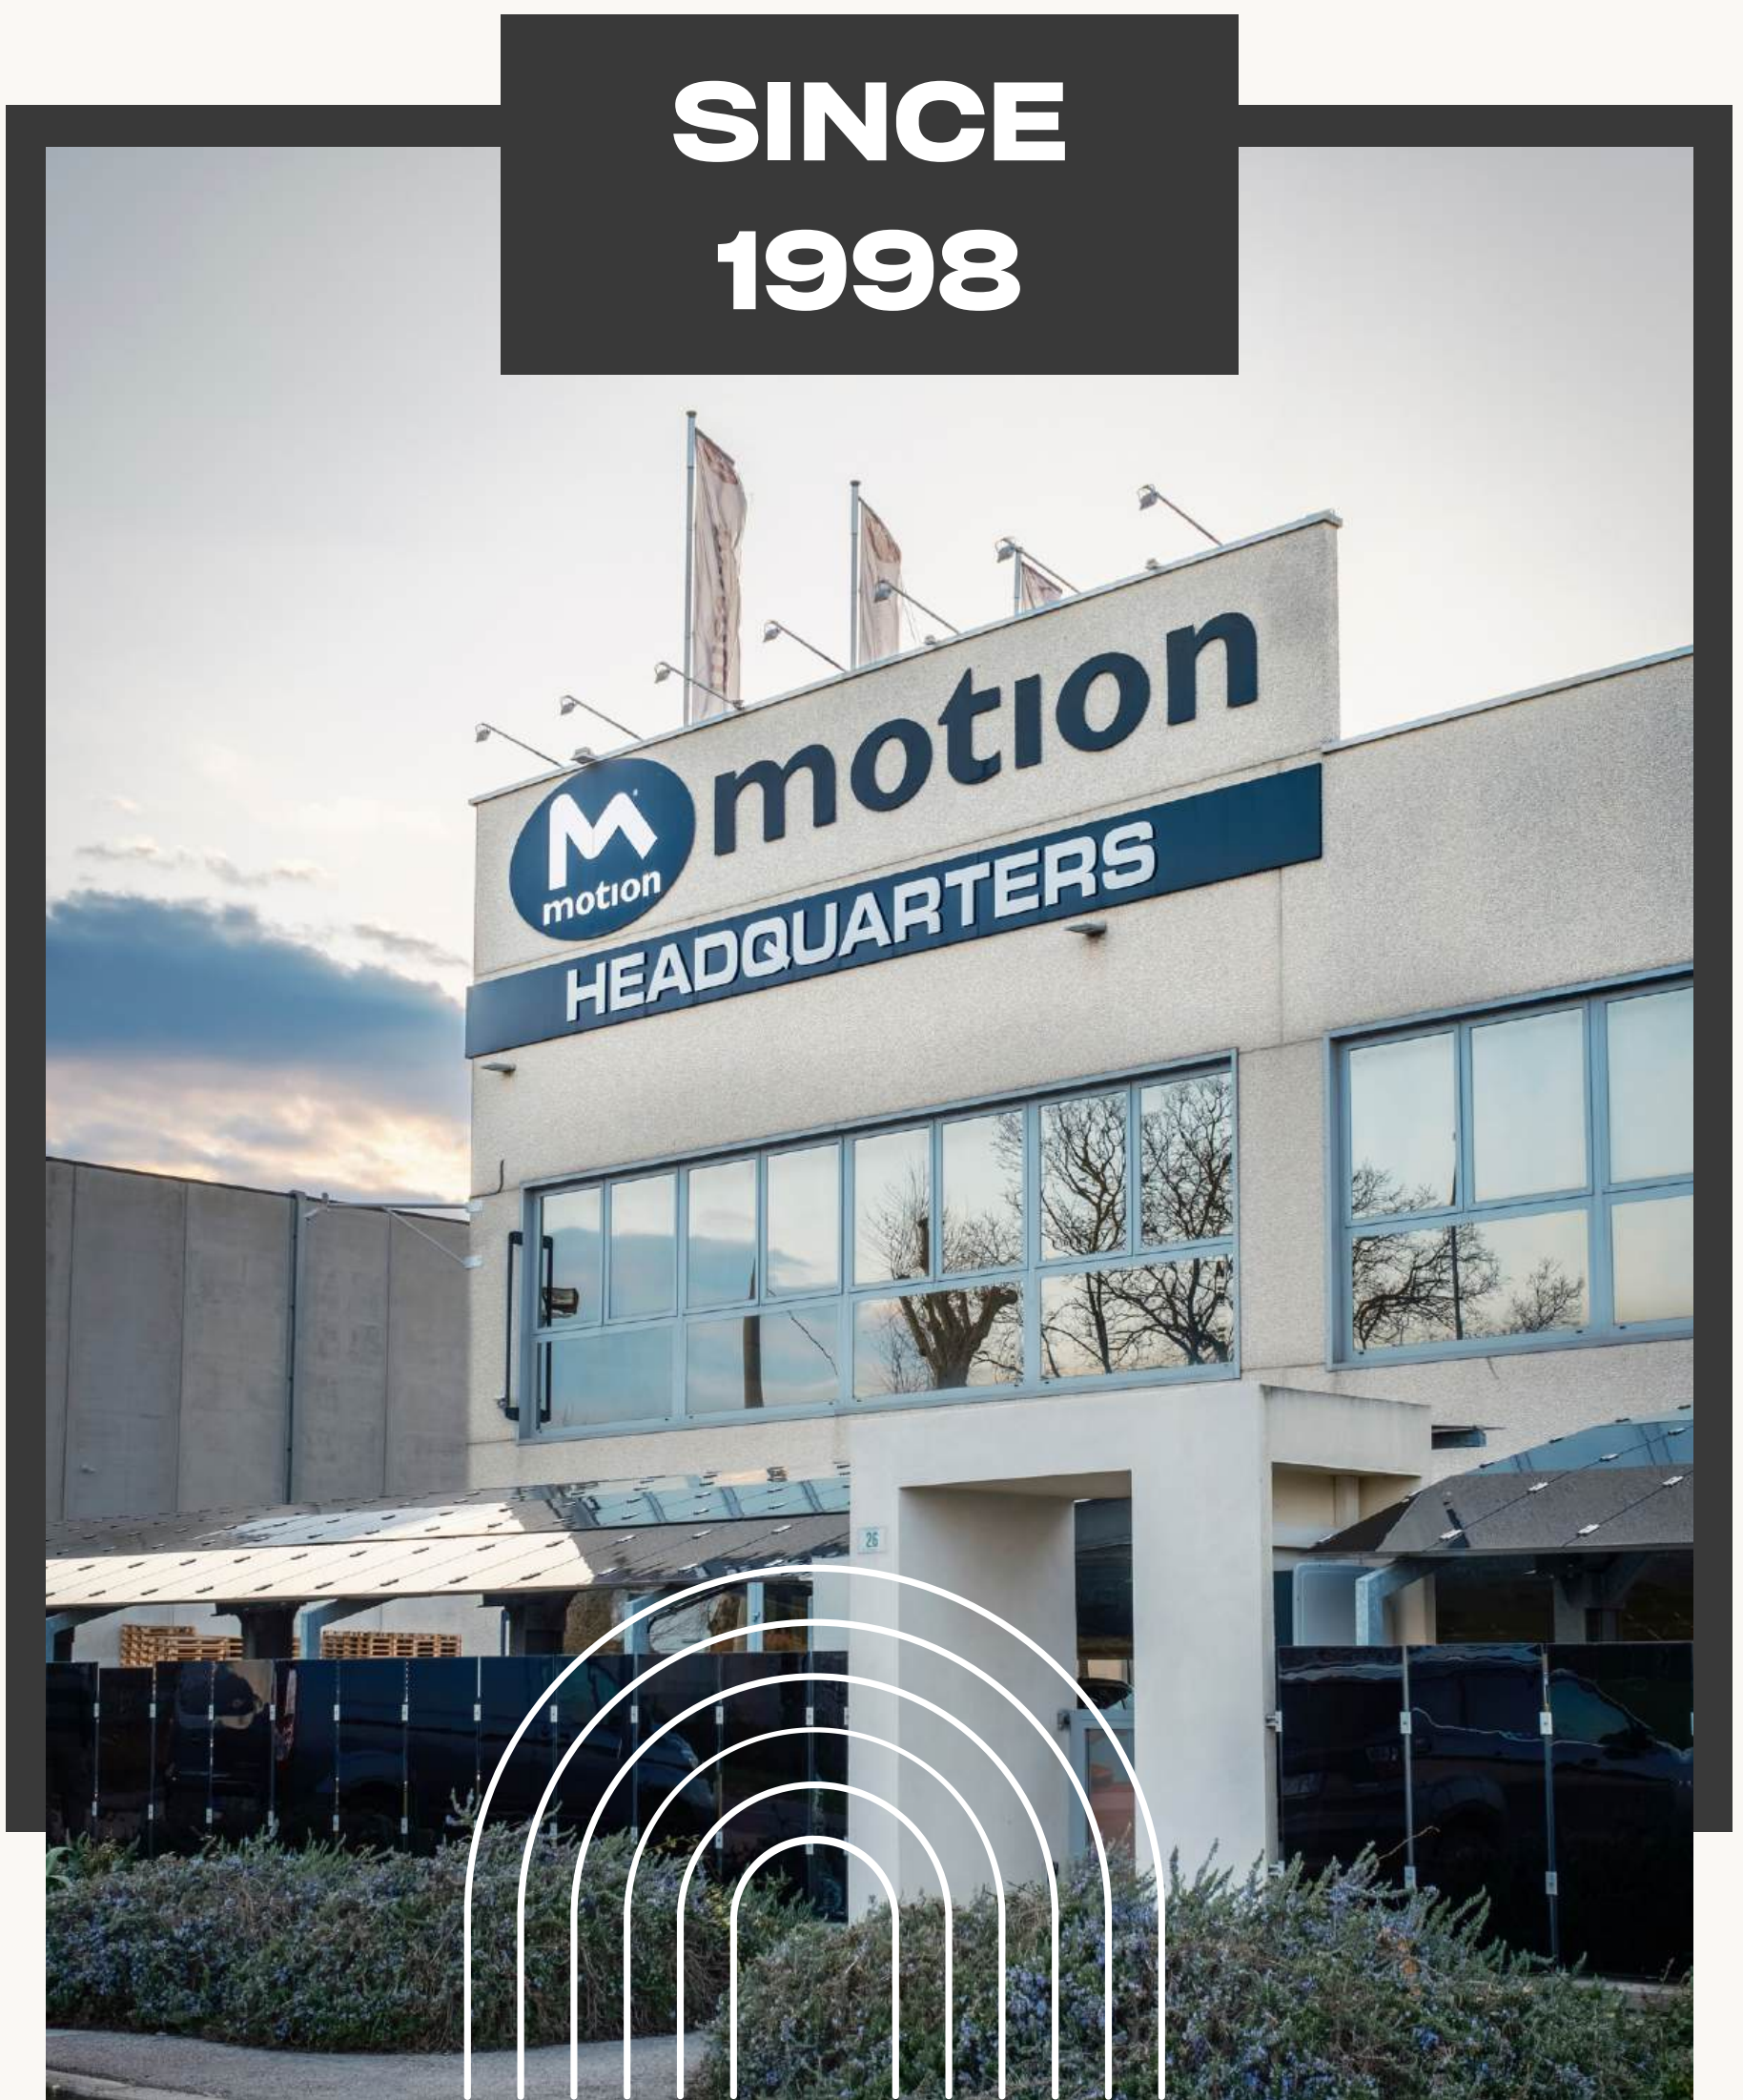

From designer furniture pieces to **smart devices** used to **improve posture**, **achieve relaxation** and **mobility**, these Group technologies have gained a significant foothold among consumers as innovation and functionality combine to **improve** their **well-being** and **quality of life**

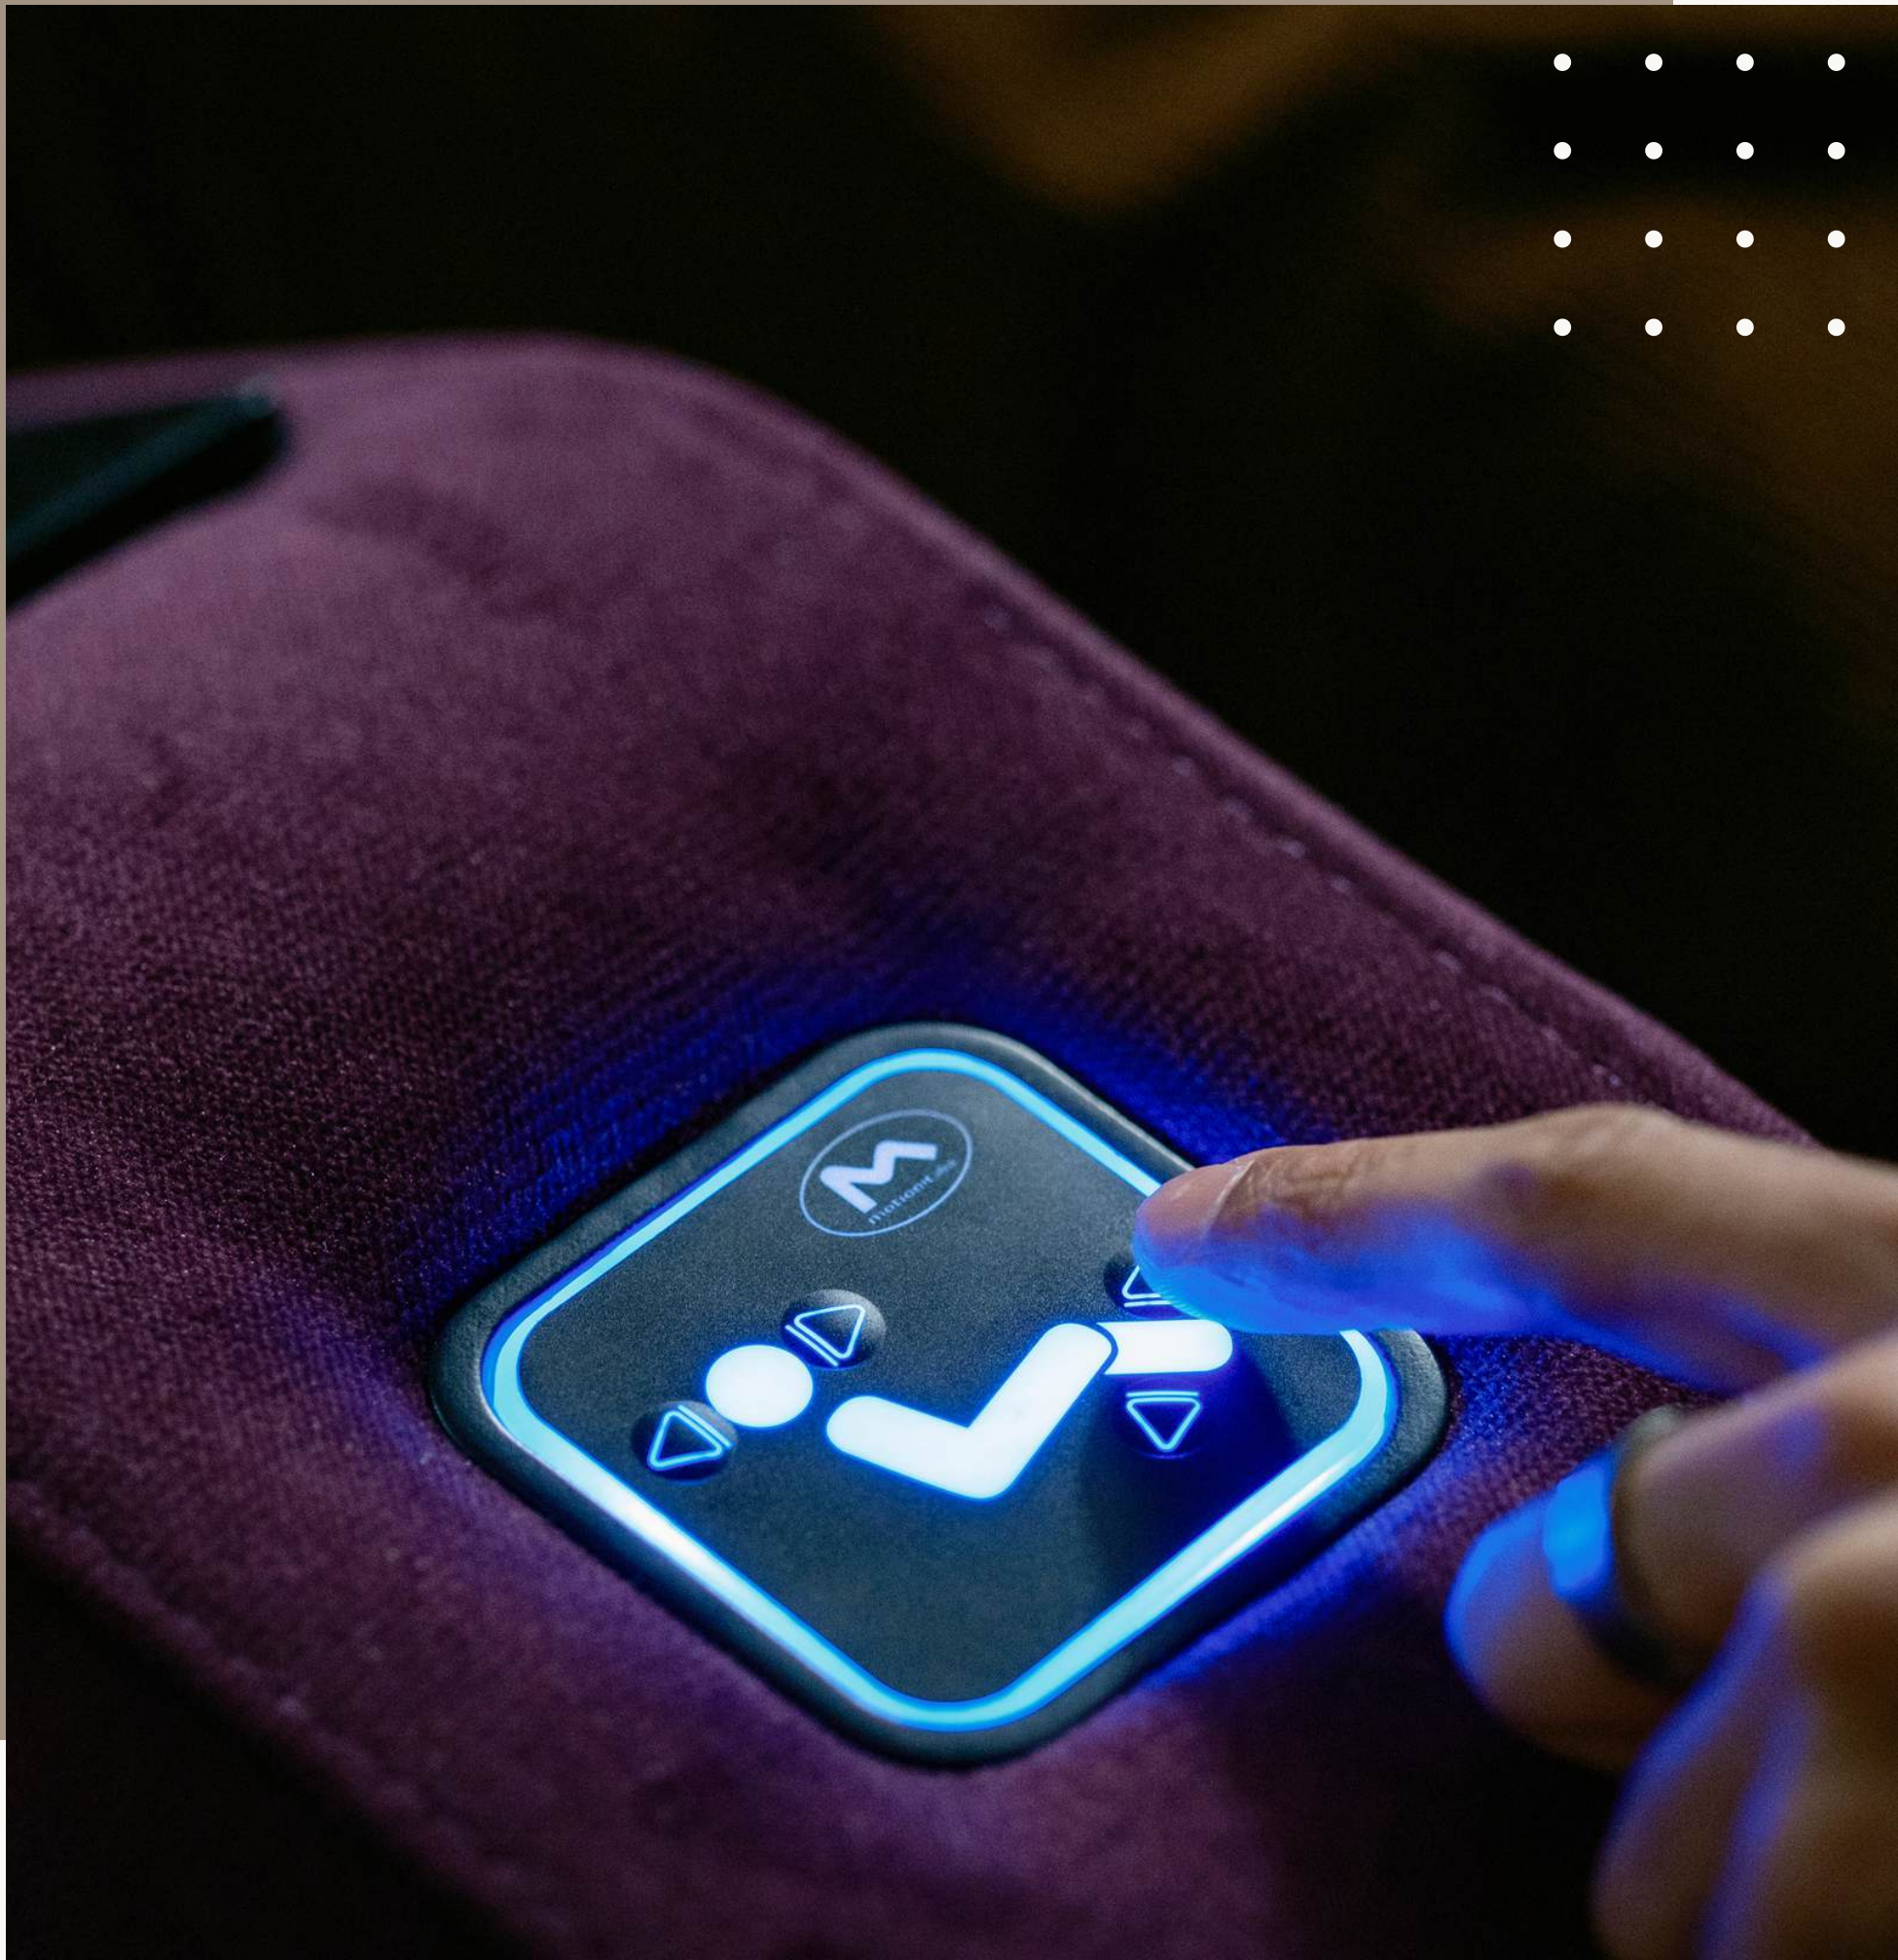

• **Since** its inception in **1998**, MotionItalia has
• been synonymous with **design**,
• **research** and **innovation**.

Today, MotionItalia has become the world's
leading brand of **smart mechanisms** with
relax and **lift** functions and **electronic**
components, present in the **global** market
and distinguished by their distinctive
“Made Italy” identity.

SINCE
1998

MotionItalia - a company founded in Forlì, Italy, where its headquarters are located - pays special attention to its **R&D department**, which has become a model for all competing companies in the industry.
