

BEAUTIFULLY SIMPLE LIGHTING SOLUTIONS

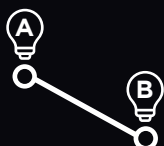

Since 2007 we've been creating lighting in harmony with modern life. Specialising in kitchens, bedrooms and bathrooms, quality and innovation has always been at the heart of what we do, from lighting that stands the test of time to technology that's exclusive to us.

At Sensio we pride ourselves on providing premium products matched with a flawless execution and service. All of our lighting solutions are designed and developed right here in the UK, where we can constantly strive to create new concepts to brighten people's lives. Always pushing to pioneer new technology that seamlessly illuminates customers' homes, our passion is making lighting both intelligently simple and beautiful.

We hope to inspire your space with the power of lighting and thank you for partnering with us at Sensio.
