

Tessilbrenta company, founded in 1980, located near Vicenza, north east of Italy, produces needle punched fabrics for many applications in the upholstered furniture industry, such as in sofas and beds.

Tessilbrenta nonwovens can be treated to obtain textile finishing, in compliance with the strictest international regulations for the protection of health and the environment.

Our standard range for sofas is:

100% polypropilene (PP) or mixed PP/polyester (PES) 90-150 gsm, H. 1,40-1,60, L. 150-200-1.500 m (jumbo roll);

colours: black, anthracite, grey, grey mélange, beige, brown, white.

Thermo-treated: one side only (T1) or both (T2); embossed version: available;

For mattresses industry (separating layers and pocket springs):

mixed PP/PES 75-90 gsm, H. 30-52 cm L. 1000-1.200 m; colour: white.

The rolls can be packed both in bundles (full mega-trailer up to 14.000 kg) and standing on pallets (full truck around 11.000 kg).
