

# CAN FILLING EXPERTS

## YOUR BRAND - OUR PASSION

[www.rhodius-copacking.de/en](http://www.rhodius-copacking.de/en)

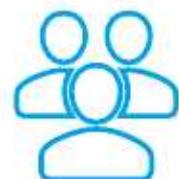

made  
in  
Germany

“ As a family-run company in its 8th generation, we are passionate about filling beverages in cans. We have been supporting our customers in their individual success for more than 50 years! ”

**Frauke Helf & Hannes Tack**

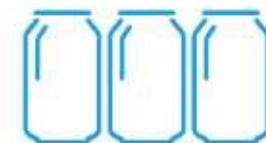

Managing Owners

> 360 Employees

7 Production lines

Over 600 mio.  
fillings each year

### Customized service for your growth

Our experienced customer consultants see themselves as part of your team and support you with individual solutions and personal care.

### Full transparency throughout the process

Track the status of your filling and product quality in real time using our digital customer portal and benefit from our high delivery reliability.

### Premium water quality for highest demands

The use of treated, absolute pure mineral water from protected sources ensures the highest possible quality of your beverage.
