AVEON Cafe™

"Some of the world's most effective thoughts happen over a brew of morning's coffee let's relish the same with Aveon Café"

About Aaksh Beverages

Aaksh Beverages Private Limited is a Mumbai based fastest growing FMCG Company. Over the year we have expanded our business in coffee market from our own brand AVEON CAFÉ to various popular Private Label brands.

We currently export to Cafe's, Ingredient Suppliers, FMCG export companies, Retail market, Supermarket chains, Co - packers, Importers, Wholesalers, and Horeca / catering companies. We have been exporting in more than 27 countries, catering to buyers in Europe, Africa, Middle East, and Asia.

Each of our clients is rendered specialized attention and customized service as per their requirement and suggestions. In addition to that we also offer on site shipment inspection by worldwide renowned body like Bureau Veritas, SGS, Contecna to maintain our quality standards.

We pack our products in facilities approved and registered with certificates from ISO 22000 for food safety management system. We also hold certificate like HALAL, ISO 90001 and HACCP.

Our partner manufacturing facility and packing unit has latest equipment and technology with equipment procured from Denmark, Switzerland and UK.
