PERLA TABLE FOODS

Perla Table Foods is a leading European antipasti and hummus manufacturer with more than 15 years of experience. We offer a wide range of tasty and varied snacks such as cheese-stuffed peppers and pickled olives, which we deliver to 3 continents including Australia, Colombia, Germany, Denmark, Italy, the UK and France. We already employ more than 1 000 employees in our newly completed manufacturing plant.

„We are the industry leader in our category in the European market and we are growing at a rate of 20% per annum, steadily increasing our productivity. The new investments, including the construction of a state-of-the-art manufacturing plant and the appointment of the best specialists in their field, are helping us to streamline our manufacturing processes, as well as enabling the company to continue to grow and expand into global markets.”

MICHAEL PEREL
CEO PERLA TABLE FOODS

Built in 2022, the plant is a 30 000 m² area housing state-of-the-art machinery and equipment, including an automated finished goods warehouse and more than 8 000 pallet spaces. Modern machinery and extremely efficient production lines are designed to help the company meet the steadily growing orders.
