

Apis-Vita d.o.o.

Where tradition meets quality

About Us

We are a young and rapidly growing Slovenian company, specialized in the production of high-quality condiments under the brand name Matejev, and Parczew.

We have combined tradition with modernity and tend to satisfy all customer needs with our exceptional premium products in variety of tastes of vinegar, mustard, ketchup and different kinds of sauces.

Professional approach and flexibility in coordination with the best materials and quality control provides a healthy basis for innovation and development.

What Do We Produce?

We produce a wide range of high-quality condiments, including various types of vinegar, mustards, and ketchups.

Our vinegar selection includes cloudy apple vinegar, wine vinegar, spirit vinegar, and rich balsamic vinegar, each offering a unique flavor profile for diverse culinary uses.

In addition, we craft a variety of mustards, from mild and creamy to sharp and spicy, as well as ketchups, both mild and spicy, perfect for complementing a wide range of dishes.

Our Products

Vinegar

Our premium vinegars are premium products stand out for their quality and flavor. They are made from carefully selected natural ingredients such as native apples, and red grapes, preserving all essential nutrients, vitamins, and minerals.

Natural fermentation and long production times ensure a rich and full taste. The cloudy apple vinegar is especially valued for its health benefits, while the balsamic vinegar and its flavored varieties offer a true gourmet delight.

Our Products

Mustards & Ketchup

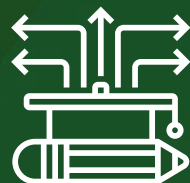

Our mustards and ketchups provide a wide range of flavors, from mild and creamy to bold and spicy.

Whether you're looking for something smooth and mild or sharp and intense, these mustards and ketchups offer the perfect addition to any meal.
