GUANGZHOU CITY RED BRIDGE WANLI FOODSTUFFS CO., LTD.

INTERNATIONAL QUALITY · EXQUISITE SEASONING

Guangzhou City Red Bridge Wanli Foodstuffs Co., Ltd. Your trusted partner in global flavor solutions.

COMPANY PROFILE

Established in 2001 and headquartered in Nansha District, Guangzhou, Guangzhou City Red Bridge Wanli Foodstuffs Co., Ltd. is an international enterprise specializing in the research and development, production, and sales of seasonings. With over two decades of in-depth industry experience, we have grown into a high-tech enterprise integrating technological innovation, quality control, and global services. Our products are exported to Europe, the Americas, and Asia, and have won the trust of international customers.

CORE ADVANTAGES

1. Diversified Product Portfolio

We offer a full range of seasonings, including soy sauce, sauces, oyster sauce, chili sauce, seasoning oil, and seasoning powder. Additionally, we have extended our product lines to specialty products such as Japanese and Western-style condiments, vinegar series, and sesame oil, meeting the diverse dietary needs around the world.

2. Technological Innovation Leadership

Patented Technologies: We hold 17 patents, including 12 invention patents, covering fermentation processes, flavor stabilization technologies, and natural extraction techniques.

R & D Investment: We collaborate with domestic and international universities to continuously develop low - sodium, organic, and functional seasonings, leading the trend of healthy eating.

3. International Authority Certifications

We have passed ISO 22000 quality management system certification, HACCP food safety certification, currently certified with internationally recognized food safety and quality management standards such as BRC and IFS, ensuring the safety and controllability of our products. Meanwhile, we complying with the BSCI Code of Conduct to promote sustainable business development.

- High - tech enterprise certification, driving the technological upgrading of the industry.

INTERNATIONAL MARKET LAYOUT

We have deeply cultivated the European and American markets, with our products covering more than 20 countries including the Netherlands, Sweden, Denmark, Norway, Germany, France, Italy, Spain, and Portugal. We have established long - term cooperation with many international chain supermarkets and catering groups.

BRAND CONCEPT

"Natural Flavor, Empowered by Technology". We insist on using natural raw materials and integrating traditional craftsmanship with modern technology to provide global consumers with safe, healthy, and delicious seasoning solutions, allowing every dish to convey the taste of happiness.

"Wei Dao Zai Seasoning, Fresh in Place", We are committed to sustainable development and strive to be a socially responsible enterprise, providing our consumers with products full of vitality.
