Anuga FoodTec Showcase @Anuga Select China

The debut Anuga FoodTec Showcase is set to take place from 24-26 April 2025 in Shenzhen, China. Powered by Anuga FoodTec, the primary supplier trade fair and central platform of the global food and beverage industries in Cologne, this highly anticipated showcase serves as a specialized platform for networking, showcasing innovations, and discussing key industry concerns specifically for southern China's F&B market.

With a focus on Packaging, Food Safety and Beverage Technologies, the showcase demonstrates the integrity of the production and processing chain, as well as cutting-edge solutions that appeal to consumers while meeting the industry's sustainability goals.

Target Exhibitors

- Filling and Packaging Technology
- Packaging Materials
- Refrigeration and Air-conditioning Technology
- Food Safety, Laboratory Technology, Analytics and Biotechnology
- Beverage Technology

Target Visitors

- Food & Beverage Producers
- Packaging Wholesalers
- Supply Chain Professionals
- Food Retailers
- Importers of Food Machinery
