Cibus Tec Forum

Two days to reimagine Food Tec

Join us for Cibus Tec Forum, a unique event focused on food tec revolution where you can showcase the most intriguing solutions and innovative technologies for the food and beverage industry.

Cibus Tec Forum revolutionizes the concept of events too: it has a strong commitment to create concrete business and visibility opportunities for exhibitors while offering a turnkey participation formula with an efficient and optimized approach for companies.

Participating in Cibus Tec Forum is not only a chance to create business opportunities in 2025 but an essential springboard in preparation for Cibus Tec, the global exhibition on food and beverage technologies scheduled, as always in Parma, from October 27 to 30, 2026.
