

Taste of Tradition

MOGAZI GmbH products stand for authentic taste, traditional craftsmanship, and the highest quality standards. As a family-owned company with decades of experience, we are passionate about producing premium roasted almonds and gourmet-popcorn. Every product is made with great care, selected ingredients, and proven recipes.

Our roasted almonds are gently roasted using traditional methods and refined to perfection. In addition to our popular classic variety, we offer a wide range of creative and timeless flavors such as vanilla, coconut, speculoos, salted-caramel, nut-nougat, cinnamon, chili, and pear-cinnamon. Thanks to fresh production and precise balancing of sugar, spices, and nuts, our almonds deliver a unique aroma that evokes memories of traditional fairs and Christmas markets.

Our gourmet-popcorn impresses with its light texture and intense flavor. Whether coated in chocolate, sugar or salt, each kernel is carefully covered and refined. The result is a crunchy, well-balanced taste experience that appeals to both classic and modern consumers.

Quality, transparency, and sustainability are our top priorities. We use only premium raw materials, work with reliable partners, and carefully monitor every step of production. Handcraftsmanship, experience, and attention to detail make our products truly special.

Our specialties are ideal for retail, wholesale, events, Christmas markets, and direct sales. With personal customer service, flexible solutions, and a wide product range, we are a reliable partner for our clients.

We stand for tradition, innovation, and genuine enjoyment – passed down from generation to generation.
