

OP PROCESS® : THE GLOBAL CONCEPT FROM JOINT TAPE APPLICATION TO SURFACE FINISHING

A FASTER CONCEPT:

- 3 times faster than the traditional method
- Up to 25 m²/hour for coating
- Optimized cleaning and storage

A MORE PROFITABLE CONCEPT:

- Low investment
- Increased productivity
- Perfect finish quality

A SAFER AND MORE ERGONOMIC CONCEPT:

- Lightweight tools
- Reduced strain and fewer accidents
- Work performed from the ground

TRUE WORKSTATION

FOR DRYWALLER & PAINTER

The OP PROCESS® workstation allows you to carry all the necessary tools and consumables.
