

HISTORICALLY THE PROFESSIONALS CHOICE

Durofix Auto & Equipment Tools

With over 40 years of continuous development in power tool manufacturing, Durofix has emerged as a leading global manufacturer of portable power tools. Our extensive product line caters to construction, woodworking, automotive, industrial professionals, and high-end hobbyists.

As a part of the Mobiletron Group, a renowned global electronics company, we leverage advanced lithium-ion battery power management and brushless motor technologies to produce dynamic precision assembly, heavy-duty 60v power tools and compact G12 Pro series.

Our unwavering commitment to developing innovative and dependable products is matched by our dedication to delivering exceptional worldwide services across the Americas, Europe, and the Asia-Pacific regions.

DEDICATED SERVICE**

DUROFIX™

**OUR
MANUFACTURING**

With over 40 years of manufacturing private labels for top brands, we're a trusted Tier 1 Automotive supplier with ISO accreditations. Get high-quality products at competitive prices without paying extra for housing colours. Trust us for premium products at affordable rates.

**IN-HOUSE
SERVICE LAB**

For reliable Durofix Tool repairs, our 24/7 in-house service lab offers quick solutions. Our expert technicians and cutting-edge equipment can handle any repair job, completing most in just 7-10 business days.

**IN-HOUSE
MARKETING TEAM**

Our in-house team specializes in modern campaigns, offering tailor-made graphics, brochures, product photography, and efficient turnaround. We handle graphic design, videography, app integrations, and online presence.

**PARTNERSHIP
PROGRAMME**

We appreciate our loyal partners who have maintained a successful long-term relationship with us. We have launched our partnership program where they can receive marketing support and achieved a generous reward programme for volume.
