Anuga FoodTec India Dairy

Shaping the Future of India's Dairy Industry

Date 22-24 April 2026, Annual

Venue Bharat Mandapam, New Delhi, India

India's premier B2B trade show focused exclusively on dairy technology and innovation. As the leading platform for the entire dairy value chain, it brings together technology providers, dairy processors, cooperatives, private dairies, and government bodies—driving progress, partnerships, and the future of dairy in India.

ORGANIZED BY

Country profile India

Sources: Worldometer 2025, Statista

INDIA'S CURRENT POPULATION	URBAN POPULATION	GLOBAL RANKING	PERCENTAGE OF GLOBAL POPULATION
~ 1.46 billion	~ 542 million	1st populous country in the world.	~ 17%
India is the world's largest milk producer, contributing over 25% of global output. The dairy industry is valued at INR 16,792.1 billion in 2023 and projected to reach INR 49,953.5 billion by 2032.		MEDIAN AGE	INDIA'S GROSS DOMESTIC PRODUCT (GDP) IN 2024
		~ 28,8 years	\$3.91 trillion USD

This growth is driven by rising disposable incomes, increased health consciousness, and a surge in demand for value-added products like cheese, curd, and butter. As consumer preferences evolve, there is a growing emphasis on hygienically processed, traceable, and export-ready dairy products.

Anuga FoodTec India Dairy 2026 serves as the ideal platform for technology providers and stakeholders to come together, explore solutions, and drive the future of India's rapidly transforming dairy sector.
